

3rd Monthly Art Gathering at Lake Waynoka
A NEW WAY OF SEEING

We would like to invite you and a friend to our third Monthly Art Gathering at Lake Waynoka at the Lake Waynoka Lodge on Monday evening, April 14th, from 6:30-9:00.

We will be gathering every second Monday of every month, exploring and learning new art forms during each evening. We will be gathering to have FUN!

Our third evening will be Plein Air Painting. You will need to bring these supplies:

Your art journal or paper or canvas to paint on, drawing board, chair, and whatever medium you choose, pencil, charcoal, markers, pastels, watercolor, oil, acrylic, ink.

We will be meeting at Little Turtle, rain or shine. We will be under the pavilion in the event of rain. Bring your favorite beverage and snacks.

If you have never plein air painted, you will find a new way of seeing a multiple of images you have never noticed before!

Next month we will have a guest instructor teaching us the art of Zentangles. Bring paper and journaling/calligraphy pens.

Contact Joanne Edwards at www.joannesueedwards.com or (937) 446-1917 if you wish to join us. We welcome suggestions from all that attend on what you would like to learn in this new and exciting art group.
