

LAKE WAYNOKA ART CLUB

MISSION STATEMENT

To promote Art through group participation, to stimulate artistic interest in the community and promote Art Education.

ACTIVITIES AND EVENTS

The club will meet monthly to teach members different mediums of art and plan on art activities. We host a painting event twice a year in March and November, for anyone to learn from entitled: "Uncorked on Canvas", a fundraiser to provide funds for art supplies for free children's art activities and numerous other community art projects. We also host a free Christmas painting party for adults during our December meeting.

As these and other events are created and planned, they will be posted in the Waynoka News and on Facebook.

MEETINGS

Monthly meetings are held on Monday evening following the second Saturday of the month at the lodge conference center from September through May, at 6:30 in the evening. During the summer months, we host children's art activities. Everyone is welcome to attend the club meetings and see what's going on.

MEMBERSHIP

Membership is open to all individuals who are interested. No art knowledge is needed, only a desire to learn.

Membership costs \$10, a onetime fee, to help cover some material costs.
