

Manager's Note, Paul S. Cahall, General Manager

Lately there has been a lot of discussion about Facebook. We did some research and at the last count there are at least twenty one Facebook pages out there with the word Waynoka in them and of that number only three are actually controlled by the W.P.O.A. The three official Lake Waynoka Facebook pages are: "Lake Waynoka", "Lake Waynoka Lounge", "Lake Waynoka Rec Center". The W.P.O.A. in no way takes responsibility for anything posted on any Facebook pages other than these three.

Unfortunately the W.P.O.A. doesn't have any control over what is or isn't on those other pages. We, like anyone, can only complain to Facebook about the content on these pages. Facebook then determines if those pages have violated its terms of use agreement. If you are a member of any of these pages the way to tell if it is one of the official Lake Waynoka pages is to look for the check mark in the upper left hand corner of the page that shows it is a "Verified Page". See picture below.
