

## Monthly Art Club at Lake Waynoka

We would like to invite you and a friend to our Monthly Art Club at Lake Waynoka at the Lake Waynoka Lodge Conference Center on Monday evening, September 8 from 6:30-9:00.

It's free to see what's going on or \$10.00 yearly membership if you want to join. I will be demonstrating painting with pastels. Bring your own paper and pastels or you may use mine and just put a donation in the kitty to replenish. Color paper preferred by not necessary.

The Kids Art Club has been cancelled due to lack of funds and help. Once we have the Art Club established, we will look into restarting again next year.

We are planning our first fund raiser for Saturday, November 8, 2014, a fun art event where EVERYONE will be able to make a painting and go home with a finished piece of art they created that evening that they will be proud of. Please save the date for this event and watch for more information coming up in the next newsletter or on my website at [www.joannesueedwards.com](http://www.joannesueedwards.com). We are hoping this will help us establish funds to support our future Kids Art Club.

Contact Joanne Edwards at (937) 446-1917 if you wish to join us or like to help with this event. We welcome suggestions from all that attend on what you would like to learn in this new and exciting art group.
