ISSUE 347

## BOATERS PLEASE TAKE NOTICE

Below are a few excerpts from the "General Rules & Regulations" (Volume 1) on boating, fishing, skiing/tubing and swimming. Remember, these rules are in place for everyone's safety, protection of our shorelines, and enjoyment of our lake.

---

### C. LAKE BOATING AND FISHING GUIDE

The dam and all coves within 50 feet of the shoreline are NO WAKE (5mph) zones.

During lake lowering, when the lake is lowered, during refill and during periods of dangerous water (water overflowing shorelines and/or docks) the maximum boat speed is NO WAKE.

NO WAKE is the slowest speed possible to maintain steerage and maneuverability. Generally this is 5 mph.

The entire lake is a NO WAKE zone between sunset (dusk) and sunrise. When at least 1 light is on at the dam the entire lake is no wake (lights come on around sunset and are off at sunrise). Skiing is permitted in the wake area only.

Boating and fishing are NOT allowed inside the buoyed-roped off beach swimming area.

### F. SKIING-TUBING

WPOA requires that all boaters become educated with the RULES OF THE ROAD for boaters and the regulations of the lake.

Any and all boats must go counter-clockwise around the lake.

The buoys mark hazard and NO WAKE areas.

Skiing and tubing is permitted in the wake only areas between 8:00 a.m. and dusk.

Boats may pull one (1) skier or one (1) tube. No water skiers or tubers are allowed to "drop off" from the shoreline or a dock.

Tubes are designed for one or more passengers. Tubes may not have more passengers than the designed occupancy.

When pulling a skier or a tube there must be two (2) people in the boat. One must act as an observer and this person must be 12 years of age or older.

When tubes are not in use (or floats) must be removed from the water, not floating out in the lake.

No person is permitted to be on skis or in tubes during refueling.

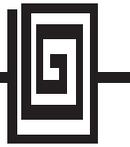

### G. SWIMMING

Swimming is not permitted in the main lake in the wake area (ski-tube).

Swimming is allowed in the coves other than the entrances. Fifteen (15) feet on either side of the centerline of the coves is reserved for boat right-of-way. Common sense must be used depending on the size of the cove. Boats have the right-of-way in small coves.

Floating trampolines, slides, etc. are not allowed on the main lake wake area. Trampolines must not obstruct boat traffic in the coves. The lake patrol has total control over the positioning of trampolines in the coves. Trampolines should be removed from the lake or secured to the shoreline when not being used or leaving the lake.

Swimming in the lake and at the beach is at YOUR OWN RISK at all times

# Waynoka Property Owners Association

## Board of Trustees Meeting

Saturday, July 8th, 2017

President Prescilla Redick called the meeting to order at 10:00 a.m.

Pastor Talley led those in attendance in the invocation which was followed by the Pledge of Allegiance.

**Roll Call:** Present: Buckley, Holt, Johnson, Kitchen, Koch, Redick, Taylor, Yannone & Mgr. Cahall  
Absent: Robinson (ex.)

**Minutes:** The motion to approve the minutes of the June 10th, 2017, WPOA public meeting as published in the July Newsletter, was made by Johnson and seconded by Koch. A yea/nay hand vote was taken and the motion passed unanimously.

**President's Report** (Prescilla Redick): none

**Treasurer's Report as of April 30th, 2017** (Vern Taylor):

*Operating funds*

- The total June operating income was \$141,964.00.
- The total operating expense for the month of June was \$234,273.00 with no unexpected expenses.
- The operating fund balance at the end of June was \$627,630.00.
- The operating income for the year at the end of June was \$1,455,422.00 and that is 78% of the plan for 2017. The expected income at the end of June to plan was 73%.
- The operating expense for the year at the end of June was \$987,240.00 and that is 52% of the plan for 2017. The expected expense was 51%. This overage is expected to grow because the budget did not include the operation of the restaurant.

*Allocated Assessment Funds*

- The income for allocated operating assessments in June was \$17,552.00.
- Assessment account expenditures in June totaled \$1,756.00. These expenses were mostly for an upgrade to the sound system at the Recreation Center and pools.
- The balance of all allocated assessment accounts at the end of June was \$512,388.00.

*Invested Funds* – Invested reserves at the end of June totaled \$346,430.00. The \$50K increase was from campground repayment and Board directed investment.

*Total cash 'on hand' at the end of June was \$1,486,450.00.*

**Manager's Report** (Mgr. Cahall):

- The 'brain box' to the dredging track-hoe was repaired and has been shipped. The dredging should resume sometime next week.
- Both 15' bush hogs had transmission issues which were repaired within a week while still under warranty.
- It is anticipated that this year's road work will begin in the next couple of weeks.
- New street signs on the west side of the Lake have been installed. The deposit has been paid on the recreation area signs and the WPOA is awaiting delivery.
- The Dectron system (an indoor pool dehumidifier) is being installed at the Recreation Center.
- One of the two air conditioning units in the Lodge had to be replaced (\$5900).
- The swim passes will be \$3 per guest on Waynoka Day.
- Withdrawal of monies for the 401K plan benefit for employees will begin with the next pay period.
- The changes in the revised version of the reserve study were reviewed by Mgr. Cahall. Final copies will be distributed to the Trustees for review. A special meeting will be held to discuss the study. The study will then be shared with property owners via the Lake's website and an informational meeting.
- The new life insurance for WPOA and WRWSD employees has been 'pushed off' until at least the end of the year. Employees are also being offered the opportunity to purchase dental insurance (at no cost to the WPOA or the WRWSD).

- The restaurant manager has resigned to take another position. Laura who presently runs the Lounge will be the food and beverage manager for both the Restaurant and the Lounge through the end of the year. Presently the restaurant is not making a profit. Adjustments to the hours of operation (Monday through Thursday until 8 pm instead of 9 pm) and to item costs (such as an increase of 25 cents for each sandwich) will be made.
- The Board has agreed to pay a fee of \$300 for the Manager to meet with an expert to evaluate the cost of converting one of the tennis courts into four pickle ball courts.

**Security Report (Chief Wallace):**

- Chief Wallace shared several details of his June security report including that there were 84 calls for service including four EMS runs, two arrests and the first two traffic accidents of the year.
- The Chief noted that usage of the guest security lane at the front entrance exceeded the RFID lane in June (16,824 via guest passes vs 16,741 via RFID stickers). In an effort to speed up the time an individual spends at the window the Chief requested that Security not be required to distribute a paper yellow pass to each guest entering Lake Waynoka for one day and one time. Property owners will still need to call in the names of their guests and guests will still need to identify who they are visiting. The different colored passes for the Recreation Center, Chapel, Lounge, etc. will continue to be given to guests. *A motion was made by Taylor and seconded by Koch to eliminate the distribution of yellow paper 'one day, one time' guest passes. The rest of the procedure for one day, one time passes remains the same. A yea/nay voice vote was taken and the motion passed unanimously.*
- In response to a discussion during the June meeting, Chief Wallace confirmed with the ODNR that every watercraft (whether it has a motor or not) on Lake Waynoka has to be registered through the Ohio Department of Natural Resources. Contact the Chief if you have questions. He also shared that since Lake Waynoka has its own water patrol the chances of the ODNR patrolling are 'slim' due to the department's limited manpower and resources. However, there are educational and training opportunities available.

**Events/Marketing Report:** none

**Other Committee Reports:**

**Long Range Planning (Dick Bankes):**

- The new street signs in Phase 1 of the street sign project have been installed. The remainder will be installed in 2018. The recreation area signage has been ordered.
- The Communications Focus Group continues its work.
- Work on the 2018-2022 Long Range Plan and Budgetary Forecast will begin once the final version of the Reserves Study is reviewed by the Board and projects are identified and assigned to the Long Range Planning Committee.
- Work continues on the General Reserve Adequacy project. The team has prepared a recommendation to the Board for an emergency reserve fund value to cover the top 19 risks in Lake Waynoka. An earthen dam failure of the greatest magnitude is the top risk. The General Reserve would cover the immediate needs for controlling a failure and for an engineering study to do the repairs. Funds to repair or construct a new dam are not included in the reserve. The development of a process to raise these monies is the work in progress by the team at the present time.

**Lake Advisory (Mike LaPlante):** Reading from the Lake Waynoka Boating and Fishing Guide LaPlante shared the definition of 'no wake': *No Wake is defined as the lowest speed possible to maintain headway and navigation. A rule of thumb is that the wake of the boat should not move moored watercraft or other floating objects.* He noted that on June 23rd after three inches of rain fell the Lake was experiencing 'hazardous conditions'. The Guide states that the Lake is 'no wake' during periods of dangerous high water (submerged docks, etc.). This regulation must be observed to prevent excessive damage to shorelines. The Guide also states that the Lake is always *'no wake' within 50 feet of the Dam and all main lake shorelines.*

**Building (Prescilla Redick):** The Committee meets this coming Thursday. A chairperson will be appointed. Presently the Manager and the Board President 'sign off' on permits.

**Rules and Regulations (John Buskey):** Both the Election Procedures Manual (volume 3 of Rules & Regulations) and the CODE of Regulations are nearly completed. Over the next couple of months the Board will have the opportunity to review both documents.

**Election Inspectors (Dave Patton):** The schedule of dates related to the election process will be announced at the August meeting.

**Unfinished Business:** none

**New Business:**

- *Johnson moved and Buckley seconded a motion to give permission to the Watersports Club to do multiple level skiers during the Ski Show. A yea/nay voice vote was taken and the motion passed unanimously.*
- At the request of Marina operator, Mike Napier, Attorney Tom Grennan informed the Board that his client was filing a petition for a Sunday sales license for off premise sales of beer, wine and spirituous liquor at Lake Waynoka's Marina. This issue will appear on the Franklin Township ballot in either November or next May.
- President Redick shared that the agenda of the WPOA's public meeting will be different beginning in August. Those responsible for the financial, managerial and security reports as well as the WPOA Committee reports will submit their reports in writing to the Office by the Wednesday prior to the public meeting each month. The reports will be prepared as handouts which will be distributed with the meeting agenda each Saturday WPOA public meeting. The Community Organization representatives are to submit information about their activities and events in writing to the Office by 4 pm on the Monday following the Saturday meeting. The information shared should be related to activities and events within sixty days of the meeting and should be written in detail for distribution by the Events Director via the newsletter and social media. Redick will contact all of the presidents of the community organizations with further information about this change. Unless an action by the Board is required, all of these reports, which were previously shared verbally during the meeting, will now be shared in some kind of written format.

**Motions and Resolutions:** none

**Campground:** none

**Civic Club** (Terry Borgman): The landscape project at the back gate was dedicated on July 3rd. This area is now in the 'care and consideration' of the WPOA. The Civic Club will present a donation of a gas generator to the Sardinia Fire Department during the Sardinia Church of Christ Festival.

**Water Sports Club** (Charlie Beard): Beard shared an overview of several of the activities sponsored by the Club so far this summer. There were 79 participants in the 5K Run/Walk on Marina Day. The Family Beach Day was 'a huge success'. About 175 kids and adults participated in the Color Run. There were 16 entries in the Cardboard Regatta. Many children enjoyed making sand art and playing games. Beard gave 'a shout out' of thanks to all of the Club members who helped with this day! Beard extended a special thanks to Mike Napier, the Marina operator, for donating the prizes for the Boat Parade of twelve boats on July 4th. The Club will sell pre-sale tickets for the 10th Annual Poker Run (August 5th) during Waynoka Day. The Ski Show will be held prior to the Fireworks Labor Day weekend.

**EMS/Fire:** none

**Chapel** (Rev. Talley): Rev. Talley shared the Bingo schedule for July (the 8th, Waynoka Day and the 22nd). He noted that there is a day at the horse races in Lebanon (Aug. 19th) planned. The Children's Christmas Fundraising Dinner and Auction will be Saturday, September 16th.

**Shawnee Squaws** (Valerie Bullock): The Squaws will have three booths during Waynoka Day (Split the Pot, ice cream floats and basket raffles). Bullock asked everyone to please continue to collect aluminum cans for the Fireworks Fund. Cash donations in any amount for the Fireworks would also be appreciated.

**Art Club:** none

**Lake Committee** (Prescilla Redick): The next Wednesday night bass tournament is July 19th from 6 to 9 pm. The night tournament is Saturday, July 29th beginning at 11 pm with weigh-in the following morning at 7 am.

**Membership Concerns:**

\*Brady Liming (Lot #819): Liming complimented Events Director, Gina Dash, for "the excellent job she is doing!" He also shared the location of a deteriorating culvert on Waynoka Dr. which has caused concern for guests.

\*Steve VanWaldhe (Lot #4011): VanWaldhe shared that Bingo is "a great time!" He asked for a clarification as to whether or not the Building Committee can function without a chairperson. Redick noted that she has assumed that responsibility until a chairperson is appointed.

\*Dan DeClaire (Lot #901): DeClaire was told that the Board did discuss the sale of lots #612 - #615 which are owned by the WPOA during the workshop meeting, but did not make a decision whether to sell or not.

\*Verna Gadd (Lot #2329): Gadd shared her concerns about the policy related to the use of the pavilion between the play area and the pools at the Recreation Center. Only one gate can be open at a time and thus the distance to the bathroom facilities is not convenient especially for older/disabled individuals. The reason for this policy was shared with possible solutions to resolve Gadd's concerns. When both gates are open there is no control over who enters the pool area which is for members and their guests only.

\*Margi Borgman (Lot #1709): Borgman complimented the work of the young man who works in the mornings at the Rec Center and takes care of the pools.

\*Gerald Black (Lot #2930): Black shared his concern about golf carts traveling the wrong way on the one way roads in the Campground. The Manager shared what actions are being taken to discourage this.

**Adjournment:** A motion to adjourn the meeting was made by Taylor and seconded by Johnson. The motion passed unanimously and the meeting adjourned at 11:00 am.

Respectfully submitted,  
Joanne A. Coker, WPOA Assistant Recording Secretary

## WRWSD Board of Trustees Meeting – Mon., June 26, 2017

President Jim Bridges called the meeting to order at 7:00 p.m.

**Roll Call:** Present: Beard, Beresford, Bridges, Redick, and Mgr. Cahall

Absent: Buskey (ex.), LaPlante (ex.), Purdin and Plant Supt. Culver (ex.)

**Minutes:** A motion was made by Beresford and seconded by Beard to approve the minutes of the June 10th Saturday meeting as distributed via email. A yea/nay vote was taken and the motion passed unanimously.

**President’s Report** (Jim Bridges): no report

**Treasurer’s Report:** none

*Redick made a motion to approve the financial reports from May 31st, 2017, as distributed by email. The motion was seconded by Beresford. A yea/nay voice vote was taken and the motion passed unanimously.*

**Report from the Manager** (Paul Cahall):

- The State of Ohio’s annual audit of the WRWSD finances is on-going.
- The 2017 services contract between the WRWSD and the WPOA is being reviewed quarterly this year.
- Most of the employees participating in the 401K plan benefit being offered by the WPOA and the WRWSD have attended an informational meeting. The response has been good.
- The removal of sludge from the sewer plant has not yet begun. The WPOA will provide one tandem truck and driver to assist in this project.
- The staff of the WRWSD repaired several water leaks on Atoka and Hatchet. The driveway and road repairs will be done this summer with the assistance of the WPOA.
- The gate at the back-up lake access will be installed when staff from either the WRWSD or the WPOA is available.

**New Business:** none

**Old Business:** In answer to a question about the status of the dredging, Mgr. Cahall shared that the 1992 track-hoe is now ‘broken down’ due to electrical/computer issues.

**Motions and Resolutions:**

- *Beard moved and Redick seconded Motion #2017-07 to adopt the 2018 fiscal year Budget dated 6/14/2017 with income of \$902,183.00, expense of \$808,308.00 and net income of \$93,875.00. A roll call was taken and the motion passed unanimously.*
- Motion #2017-08 to adopt several amendments to the 2017 Budget was tabled when an incorrect calculation was discovered. This motion will be presented with corrections during the July 8th public meeting of the WRWSD.

**Adjournment:** At 7:20 pm a motion to adjourn the meeting was made by Beresford and seconded by Beard. All were in favor and the meeting was adjourned.

Respectfully submitted,

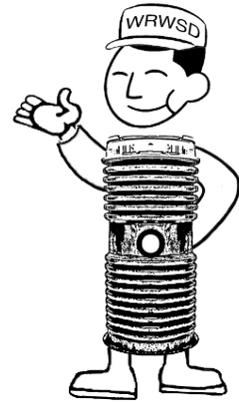

Joanne A. Coker, WRWSD Assistant Recording Secretary

**Yuck! It's gooey and gummy,  
rough and corroded!**

**Your grinder pump has moving parts which can be damaged if you put *oils or grease or strong chemicals (like drain cleaners)*, down the kitchen disposal or any drain on your property.**

If these items are introduced into the WRWSD sewer system they could result in the premature failure of your grinder pump and the need for a replacement or repairs. \$\$

*This tip is courtesy of the WRWSD.*

**WRWSD Board of Trustees Meeting – Sat., July 8, 2017**

President Jim Bridges called the meeting to order at 9:30 a.m.

**Roll Call:** Present: Beard, Beresford, Bridges, Buskey, LaPlante, Purdin, Redick & Mgr. Cahall  
Absent: none

**Minutes:** A motion was made by Purdin and seconded by Beard to approve the minutes of the June 26th workshop meeting as read. A yea/nay vote was taken and the motion passed unanimously.

**President's Report** (Jim Bridges): none

**Treasurer's Report** (John Buskey):

- Halfway through the fiscal year the WRWSD finances are 'tracking quite well'. The only anomaly is the number of houses actually being built exceeds the number that was anticipated for the year.
- The semi-annual bond assessment of \$55,815.00 was paid in June.
- *Buskey made a motion to approve the financial reports from June 30th, 2017, as distributed by email. The motion was seconded by LaPlante. A yea/nay voice vote was taken and the motion passed unanimously.*

**Manager's Report** (Paul Cahall):

- Customers will be notified in this month's statements that the 2016 WRWSD Consumer Confidence Report (CCR) is now available for review on the Lake Waynoka website. Paper copies are also available at the Admin Office.
- The new construction continues to keep the staff very busy.
- The water leaks on Atoka and Hatchett were repaired. It is anticipated that road repairs will be made soon.

**Old Business:** Treasurer Buskey requested that motion #2017-08 be read and voted upon. It was and the motion passed unanimously by a roll call vote. See Motions and Resolutions below for further details.

**New Business:** none

**Motions and Resolutions:** *Motion #2017-8 was made by Buskey and seconded by LaPlante to accept several amendments to the 2017 Budget with adjusted income of \$947,483.00, adjusted expenses of \$812,404.00 and adjusted net income of \$135,079.00. The additional income came from Sewer and Grinder Pump fees in phase II and line extension fees. The additional expenses were for the annual meeting, miscellaneous charges, licenses/permits/yearly contracts and the purchase of grinder pumps. A roll call vote was taken and the motion passed unanimously.*

**Board Member Concerns:**

- Trustee Purdin asked how the increasing number of homes might affect the water system. Mgr. Cahall believes that more homes will affect the capacity of the sewer system much sooner than that of the water system. Expansion of the sewer plant in the future has been discussed by the Board.
- Trustee Buskey asked if the recent excessive rains are causing any issue with the water level of the lagoon. Mgr. Cahall does not anticipate any problems since the lagoon was drained twice this spring.

**Membership Concerns:**

\***Charles Porter** (Lot #2047): In answer to his question, Porter was told by Mgr. Cahall, that he believes there have not been any cases of contamination of the drinking water as it leaves the plant during the last five years.

In response to Porter’s concern as to whether or not the District receives water availability fees for every vacant lot he was told ‘no’. Mgr. Cahall shared several of the exceptions (owners who are delinquent, WPOA owned lots, owners with multiple lots, etc.)

**Adjournment:** The motion to adjourn was then made by Purdin and seconded by Beresford. All were in favor and the meeting was adjourned at 9:45 am.

Respectfully submitted,  
Joanne A. Coker, WRWSD Assistant Recording Secretary

### 2017 Best Fishing Days (when the Moon is between new & full)

August 21 – September 6

September 20 – October 5

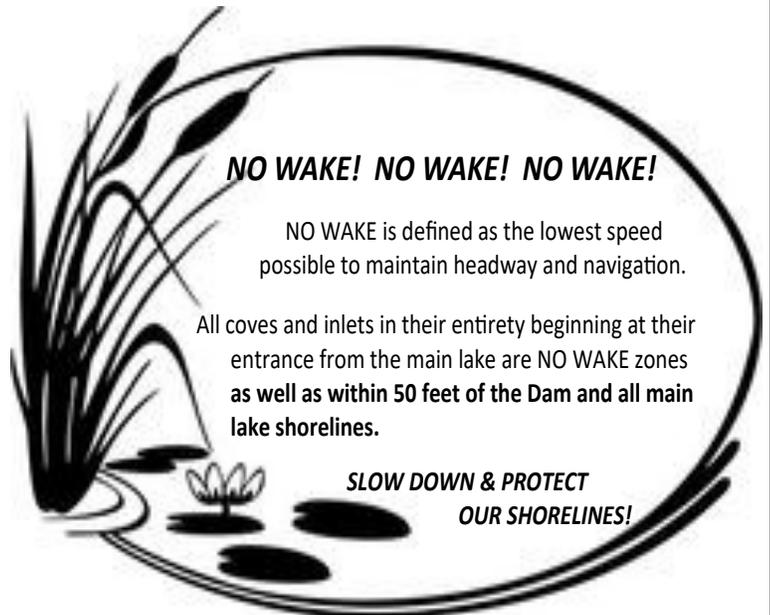

October 19 – November 4

November 18 – December 3

December 18 – 31

“excerpt from The Old Farmer’s Almanac”

#### A FRIENDLY TIP FROM THE LAKE ADVISORY COMMITTEE:

#### **NO WAKE! NO WAKE! NO WAKE!**

NO WAKE is defined as the lowest speed possible to maintain headway and navigation.

All coves and inlets in their entirety beginning at their entrance from the main lake are NO WAKE zones as well as within 50 feet of the Dam and all main lake shorelines.

**SLOW DOWN & PROTECT  
OUR SHORELINES!**

## GRINDER PUMP REMINDER

Your grinder pump is not a garbage disposal. The following items should never be put in your system:

- \*Egg shells    \*Fish scales    \*Cat litter    \*Diapers, baby wipes, socks, rags or cloth of any kind
- \*Personal hygiene products    \*Oils or grease    \*Strong chemicals (drain cleaner)
- \*Glass or metal objects.

If the above items are introduced into the system it could result in premature failure of the pump and require service.

If the red light on the electric box is on it means the pump is not working properly. Please call Security if you see your light or your neighbors light on. Security will dispatch our mechanics. 937-446-3214.

Please remember that there is a 20 ft. easement to your grinder pump. This needs to be free from obstructions in the event that our staff needs to repair your grinder pump. There are vents around the lid of your grinder pump which need to be kept open and free at all times.

\*\*DURING POWER OUTAGES WATER USAGE SHOULD BE KEPT TO A MINIMUM\*\*  
 \*\*THE GRINDER PUMP DOES NOT WORK WITHOUT ELECTRICITY\*\*

REPORT ALL ELECTRIC OUTAGES  
 Dial 1-800-543-5599 to report an outage.

Everyone should report an outage immediately, the TOTAL NUMBER of phone calls received in DUKE'S automated report system determines priority of repair.  
 The more calls -- the faster the response to our area.

## Support the Russellville Fire Department!

***Purchase your reflective lot/street number plate now!***

**\*\*Install the plate on your dock, a shoreline post or your mailbox.\*\***

**Pay only \$25 per plate (up to five numbers). The cost includes delivery!**

**Drop your order off at the WPOA office or mail it to**

**Lake Committee, % WPOA, 1 Waynoka Dr., Lake Waynoka, Ohio 45171**

**?s Contact Joanne Coker (937-446-1420) or Prescilla Redick (937-446-9385). Write checks to Lake Committee.**

## LAKE WAYNOKA BASS TOURNAMENT RULES

1. Interpretation of the following rules shall be the sole responsibility of the tournament directors.
2. Any style of boat may be used (canoe, pontoon, etc.) if the following criteria is met:
  - a. Owned by a member in good standing and Lake Waynoka registered for the current year with attached sticker.
  - b. Has an operating aerated live well. No stringers or baskets are permitted. Live wells must be checked by a tournament official prior to tournament start time.
  - c. Is covered by a minimum of \$100,000 liability insurance. By payment of entry fees the boat owner is certifying they have insurance coverage.
3. The Lake Committee reserves the right at their sole discretion to exclude any angler from participation.
4. This is a Team event with a maximum of two anglers per boat. Entrants may launch anywhere, but must be at tournament headquarters thirty (30) minutes prior to the scheduled take off time.
5. Only Largemouth, Smallmouth and Spotted bass will be eligible. A total of five (5) fish, twelve (12) inches or longer may be weighed per boat. Weight in pounds and ounces will determine winners. In the event of ties in weight, order of finish will be determined by (a) the boat having the most fish (b) the largest fish (c) flip of a coin.
6. Only five (5) bass can be in the team's possession at any time. Culling must be done immediately. No undersized bass may be kept at any time. All fish must be released after being weighed.
7. Bass must touch the 12" line with mouth closed on the official tournament measurement board. Any dead bass brought to the scales will **NOT** be weighed or counted. A one (1) pound penalty will be charged for each fish less than twelve (12) inches weighed in. Courtesy board provided.
8. All bass must be brought to the weigh in scales before the boat is removed from the lake. No bass will be weighed if brought to the weigh in scales from a trailered boat.
9. Life jackets must be on and zipped at all times when the outboard engine is running. The boat operator must have the kill switch cord attached to their life jacket at all times the engine is running.
10. **OBEY** all no wake markers—idle speed only in these areas. Safe boating conduct is a must. All WPOA Rules & Regulations and State boating regulations will be strictly adhered to, subject to disqualification.
11. All participants are expected to exercise good sportsmanship and courtesy, including maintaining at least 50 yards between participating boats.
12. The entire lake becomes no wake at dark (indicated by the automatic lights on the dam). Both bow and stern lights must be in good working condition and must be turned on from sunset to sunrise.
13. No team member can depart from their boat at anytime during tournament hours unless returning to tournament headquarters. (Marina dock).
14. Intoxication will not be tolerated. Alcoholic beverages and non-medically necessary drugs are not permitted in the boat.
15. Only artificial lures may be used during the tournament. No trolling is permitted.
16. Lake Waynoka is **OFF LIMITS** for fishing to all tournament participants 24 hours prior to the scheduled tournament start time. Violation of this rule will result in automatic disqualification.
17. Team number tokens must be hung back on the display board by team members only at or before the official time has been reached to end the competition. Late arrivals will be penalized 1 pound per minute for each minute they are late. Five minutes late will disqualify a team's complete weight for the tournament.
18. No underwater cameras will be permitted during the tournament.
19. All protests must be lodged with the tournament director **PRIOR** to any announcement of payouts.

**ANY VIOLATION OF THE ABOVE RULES WILL DISQUALIFY A TEAM'S WEIGHT**
