President Beard presented Prescilla Redick with a plaque and flowers.

President's Report (Charlie Beard): We are pleased to announce that Lake Waynoka will be a Kroger Clicklist Pickup location beginning May 21st for 2 hours in the Rec Center parking lot and 2 hours in the Campground with 4 hours on Saturday in the Rec Center parking lot.

Treasurer's Report (Vern Taylor):

Operating funds:

- The total operating income for the month of April was \$308,000.00.
- The total operating expense for the month of April was \$226,000.00 with no unexpected expenses.
- The operating fund balance at the end of April was \$1,374,471.26.
- The operating income for the year at the end of April was \$1,370,000.00 and that is 59% of the plan for 2021. The expected income at the end of April was 59% so the WPOA is right on budget.
- The operating expense for the year at the end of April was \$688,000.00 and that is 30% of the plan for 2021. The expected expense was 31% so we are 1% under budget.

Allocated Assessment Funds:

- The income for allocated operating assessments in April was \$60,000.00.
- Assessment account expenditures in April totaled \$8,000.00. Pool furniture, Security building upgrades.
- The balance of all allocated assessment accounts at the end of April was \$897,601.27.

Invested Funds:

- Invested reserves at the end of April totaled \$513,519.43.
Total cash on hand at the end of April was \$2,785,591.96.
- *The PPP forgiveness loan was approved*

Manager's Report (Paul Cahall):

- I have been asked several times if we will be allowing guests at the pool and recreation center this summer. We are hoping that the COVID restrictions from the state will be removed before we get the Memorial Day weekend and we will be able to go back normal operation. If they are not lifted, we will operate in the same manner as last year. These restrictions limit how many people can be at the pool and we don't want to have to tell a member they cannot go in because we have let guests in and are at capacity. If you have recreation center passes (the black or red ones) with a date of 2020 on them we will accept those to the end of 2021.
- We are proceeding into this summer season with the expectation that all or most of the COVID restrictions will be lifted. If a planned event has to be cancelled due to the state's restrictions, we will let you know as soon as possible before the event.
- Kroger has agreed to have a pick-up location here at the lake much like you see in some of the other towns. It is scheduled to start on Friday 21 May in the Recreation Center parking lot. Watch click list for the location to open up as an option. They will increase hours and days for pick-up based on usage.
- We have seen some small outbreaks of algae on the lake already this spring. We have put in 150 carp in the lake over the last year and do have a contract with Aqua Doc to handle any major outbreaks. We will work to treat these small outbreaks ourselves as best we can. If they get beyond our control, we will bring in the contractor.
- We want to and expect be able to open the Recreation Center to normal operation on Memorial Day weekend. This will depend on the state loosening up the restrictions we have been under for the last year. The indications we are getting is that reduced restrictions are coming soon and we are all hoping for a normal summer season.
- The board of trustees and I continue to work on the policy on dock rentals and expect the announcement to come in the next couple of months. If you have any suggestions please let myself or any board member know your thoughts.

The Officers were elected as follows: President – Charlie Beard, Vice President – Jenny Ellis, Treasurer – Vern Taylor, Secretary – Ken Crank and Member at Large – Pat Raleigh.

Lake Advisory (Todd Holt): None

Long Range Planning Committee (Terry Borgman/John Barton): The committee continues to monitor change in the 5-Year plan. The Spillway report is due to be issued in May – June timeframe of this year. Since it is not included in the 5-Year plan at this time, we will address the long-term impact with the General Manager as the situation is better defined by the engineers.

1.) We continue to prepare for the WORK GROUP community meetings.

- ◆ The first meeting is scheduled for Thursday, May 27, 2021. We need community members to participate in a series of meetings regarding the focus group comments and research about the LODGE. Please contact Greg Stover, 513-313-8486, or Terry Borgman, 937-515-7842 to express your interest in participation. Your help would be greatly appreciated. The meetings will be held at the Lodge.
- ◆ A second group of meetings on the LOUNGE will be held in July, a date to be determined. Please contact Pete Levermore, 502-727-4820, to express your interest in participation.
- ◆ A third group of meetings on the RESTAURANT will be held in August, a date to be determined. Please contact Dan Federico, 585-507-0212, to express your interest in participation.

These meetings are your chance to better understand the needs and research for the direction the community should take in making our WPOA continue to attract new membership and maintain or improve our property values.

Mr. Borgman expressed his concern that more members are not participating in the Work Groups as this affects the entire community. Please consider serving on one or more of the groups listed above so your opinions can be heard.

Rules and Regulations (Greg Stover/Steve VonWahlde): None

Unfinished Business: During the April 10th WPOA meeting, a variance was approved for a handicap ramp. The member had the ramp redesigned and has requested approval of a new variance which extended the end of the ramp to 18' from the front pins and 30' from the edge of the road. President Beard entertained a motion to approve the new variance. The motion fell to the floor.

New Business:

- ◆ President Beard announced the following 2021 Committee assignments:
 - ⇒ Finance - Chair - Vern Taylor, Liaison - Betty Purdin
 - ⇒ Finance Advisory/Liaison – Vern Taylor
 - ⇒ Building Committee - Chair - Pete Levermore, Liaison - Pat Raleigh
 - ⇒ LRPC - Chair - Terry Borgman, Liaison - John Barton
 - ⇒ Rules and Regulations - Chair - Greg Stover, Liaison - Steve VonWahlde
 - ⇒ Lake Advisory – Chair/Liaison - Todd Holt
 - ⇒ Election Inspectors – Margi Borgman, Dave Patton and Nan McHugh as Nominating Chairperson
- ◆ According to the Blue Book - Each committee must have between three and seven members. The committees must be named by thirty (30) days after a new board is installed. Thank you all for willing to serve.
- ◆ Discussion of Motion #331 (*Please see below under Motions & Resolutions*) Manager Cahall stated that the reason for this motion stems from a member complaint of a bow fisherman specifically targeting the white amur fish recently released into the lake to help control grass and algae blooms. Trustee VonWahlde suggested that the Board make a motion as to what type of fishing is acceptable at Lake Waynoka instead of making several motions on types of fishing. For instance, all fishing is limited to rod and reel.
- ◆ Discussion of Motion #332 (*Please see below under Motions & Resolutions*) Community member, Valerie Bullock, suggested that the walk paths be changed from 3 feet wide as this seems too narrow for a wheelchair. Treasurer Taylor said that a variance can be requested on an individual basis.

Motions and Resolutions:

- Motion #331 was made by Purdin and seconded by Raleigh that bow fishing will not be permitted at Lake Waynoka. Violations of this will be subject to penalties specified in Fine Schedule 1. A roll call was taken and the motion passed unanimously.
- Motion #332 was made by Taylor and seconded by VonWahlde to better define section XIV of the Volume 2 "Yellow Book" as follows:

(Existing language) "XIV. Patio, Walkway Surfaces"

To minimize stormwater runoff into the lake any of these types of surfaces placed within 50 feet of the shoreline shall be a permeable surface (e.g., pavers, loose stone, etc.)."

(Revised language) "XIV. Patio, Walkway, **Fire Pit Related Surfaces**"

To minimize **rapid** stormwater runoff into the lake any type of **flat** surfaces placed within 50 feet of the shoreline **in all instances, except item 1 or 2 below**, shall be a permeable surface (e.g., pavers, loose stone, **wood or composite decking with gaps between decking**, etc.)

Concrete surfaces within 50 feet of the shoreline will only be permitted for the following:

- 1. Walk paths shall be no more than 3 feet wide and no more than 50 feet in total length.**
- 2. Fire pit related rings/bands shall be no more than 12 inches wide and no more than 50 feet in total length (essentially making a 16-foot diameter circle). The bands are to be no higher than 6 inches above the ground level surface.**

All other flat ground level surfaces within 50 feet of the shoreline must be made up of a reasonably permeable system (like indicated above). Anything to be constructed within 50 feet of the shoreline requires a permit.

A roll call vote was taken and the motion passed unanimously.

Community Organizations:

- ◆ **Civic Club (Mike LaPlante)** – The Lake Waynoka Civic Club Plant and Flower Sale at John’s Flowers was a huge success. In fact it was such a success, we’ve already scheduled another one for next year on 5/7/2022. The Civic Club wants to thank everyone that stopped by for their landscaping needs. We want to give a big thanks to James at John’s Flowers for sponsoring this event to help support the Civic Club and the Lake Waynoka Community. We hope to soon announce the start of Lake Waynoka Civic Club Bingo, but we continue to wait for clearance from the Governors’ office once COVID restrictions are updated or canceled. We will get the Bingo news out as soon as we can.
- ◆ **WaterSports Club (Mary Raleigh)** – Thank you to all the Clubs (Book, Civic, Garden, Pickleball, Shawnee Women's, Art, and WaterSports) and residents outside of the clubs that participated in Earth Cleanup Day.
- Chapel (Valerie Bullock) – This Sunday (5-9) will be an all music service beginning at 10am. Everyone is welcome.
- Book Club (Linda Stover) – Thank you to everyone for your support. The sale of the Lake Waynoka 50th Anniversary Cookbook was a huge success especially given the Covid restrictions of lake events. We relied on social media and word of mouth to sell copies. It allowed us to award our first annual scholarship in the amount of \$500 to an Eastern Brown Senior and Lake Waynoka resident. The Book Club has ordered additional 200 Cookbooks to sell at events due to its popularity. Please consider purchasing as gifts. New bookshelves have been purchased.

Board Comments and Concerns: None

Membership Compliments and Concerns:

- **Gayla Fritzhand** – received an update from Duke Energy concerning the recent power outages and is passing along this information. Please contact PUCO concerning power outages at the lake. Their phone number is 800-686-7826. Duke customers with physical and medical conditions are encouraged to request a medical form from Duke by phoning 800-544-6900. Customers should complete the form having it signed by their medical practitioner. Submitting this form to Duke helps alert them the importance of restoring service quickly. The Customer Service department of Duke is responsible to mail the form to customers requesting it. Furthermore, the representative encouraged me to remind customers in our community to maintain a backup power source for outages.
- Tom Wyatt** – The Civic Club receives most of its monies from proceeds of Lake Waynoka apparel. This allows them to do many projects around the lake. Mr. Wyatt is concerned about a conflict of interest with management selling apparel thus limiting their fundraising abilities. President Beard stated that it was only for the new design and we will only be selling the remaining supply at the Rec Center. This is the last year and no further orders will be accepted or purchased. Management will not be selling the apparel at Lake Waynoka Day.
- **Doris Kitchen** – urged the Board to take action concerning Air B&B by prohibiting it in the Rules & Regulations (Blue Book). She stated that there are some realtors presenting this as an option to supplement their mortgage payments. Treasurer Taylor responded that there was language in the Blue Book revisions addressing this issue but it has been voted down by membership several times. Trustee VonWahlde suggested that perhaps the Rules & Regulation Committee should look at revising individual sections of the Blue Book and taking them to a vote instead of trying to pass an entire Blue Book revision.

Adjournment: The motion to adjourn was made by Taylor and seconded by Crank. A yea/nay vote was taken. The motion passed unanimously and the meeting was adjourned at 10:27am.

WRWSD Board of Trustees Monday Meeting – 4/26/2021

President Redick called the meeting to order at 7:00 pm.

Roll Call: Present: Beard, Buskey, Hagen, LaPlante, P. Levermore, S. Levermore, Redick, Mgr. Cahall, Supt. Culver

Minutes:

- A motion was made by Hagen and seconded by Buskey to approve the 4/10/21 WRWSD meeting minutes as distributed by email. A yea/nay vote was taken and the motion passed unanimously.
- A motion was made by P. Levermore and seconded by Hagen to approve the 4/17/21 WRWSD Annual meeting minutes as distributed by email. A yea/nay vote was taken and the motion passed unanimously.

President's Report (Prescilla Redick): None

Treasurer's Report (John Buskey): We are a little over 25% through the year and everything is running as expected with the expenses on target and the income a little above the projected target due to the number of new homes being built thus income from water and sewer taps. We recently rolled over two CDs and received a relatively good interest rate.

Manager and Plant Superintendent Report (Paul Cahall & Supt. Culver):

- ◆ We have been averaging 4 new homes per month and the WRWSD staff is busy installing water and sewer taps.
- ◆ The valve to the lagoon was turned off Monday morning. After the lagoon fills a bit, we will add another round of midge eating fish.
- ◆ The truck that we put on hold from last year will be purchased this year. We have been looking at State bids and local dealers. Thus far, the Chevy Extended Cab 4x4 seems to be the most reasonably priced for our needs.
- ◆ The WRWSD office upgrades continue. A contract was signed to have the floors replaced which is similar to the Beach House for easy clean up and durability (*See Motions & Resolutions below*). New kickplates will be installed, drywall repaired and ceiling tiles replaced as needed.
- ◆ Tower painting will be continuing soon.

Old Business: None

New Business: Trustee Beard provided an update for the Garden Party. We had 140 people sign up. The WPOA and WRWSD will split the cost of the celebration.

Motions and Resolutions:

- ◆ Motion #2021-04 was made by P. Levermore and seconded by Beard to amend the capital budget to replace the floors in the WRWSD treatment plant office and lab with an amount not to exceed \$13,000 with 50% of the cost from the sewer capital reserves and 50% from the water capital reserves. A roll call vote was taken and the motion passed unanimously.
- ◆ A motion was made by P. Levermore and seconded by LaPlante to amend the time of the WRWSD Monday night meetings from 7pm to 6pm. A yea/nay vote was taken and the motion passed unanimously.
- ◆ A motion was made by P. Levermore and seconded by Beard to move the May WRWSD Monday night meeting from the 31st to the 24th in observance of Memorial Day. A yea/nay vote was taken and the motion passed unanimously.

Board Member Concerns:

- ◆ Secretary LaPlante has had members asking him when the sewer plant will need to be expanded. Mgr. Cahall and Supt. Culver explained that the plant would need to be at an 80% capacity average and then the EPA will give a three year notice that the plant would need to be expanded.
- ◆ Trustee Hagen asked for an update on optional employee testing to move to the next tier of job position. Supt. Culver noted that a few of his employee are studying for the exam.

Adjournment: The motion to adjourn was made by Beard and seconded by LaPlante. All were in favor and the meeting was adjourned at 7:31pm.
