WPOA Board of Trustees Saturday Meeting - 03/14/2026

***Any updates from the Friday email are indicated in **italics** of the summary of each report.*

***The deadline for submission of information for the monthly newsletter and other media releases is the Tuesday following the WPOA meeting at 4pm. The Office staff appreciates the cooperation of all of the clubs to share the events and activities held at Lake Waynoka. President Eads called the meeting to order at 10:00am and led the attendees in the Lord's Prayer followed by the Pledge of Allegiance.*

Roll Call: Present: Bisbe, Bynum, Eads, Kitchen, Klein, Lane, Miller, Mulloy, Wagner, Mgr. Wilkin

Special Guests:

- President Eads introduced Betty Jo Ratliff. She is running for Brown County, Jackson Township, Republican Central Committee. She noted that each township has a Democratic and Republican representative. Things to remember concerning voting: Once the absentee ballot is accepted, you cannot vote in-person. She recommends looking online or visiting the Election Office for issues and people running for Office. The absentee ballot requests begin April 6 th and it must be postmarked the day BEFORE the election, May 5 th , to be counted. Early voting at the Election Office (relocated to Hamer Rd. in Georgetown) begins April 7 th . The Primary is May 5th .
- Frank Fussnecker is running for Brown County Commissioner. He is currently a Franklin Township Trustee and will be around to answer questions.

Minutes: Bynum made a motion and Lane seconded to approve the 2/14/26 WPOA Monthly minutes as printed in the newsletter. A yea/nay vote was taken and the motion passed with eight yeas and one nay (Klein).

President's Report (Eads): President Eads addressed the rumor mill. Contrary to rumors, she loves the campground. It cannot be opened until requirements from the Ohio Revised Code, EPA and Brown County Health Department are met. For instance, campers must be able to be moved in the event of a fire to prevent the fire from spreading. She said she is only trying to protect the WPOA from lawsuits and violations. President Eads said a hostile work environment was created while working on revising the campground rules and regulations. There was restricted from a private Google doc access drive, 5-6 Trustees were meeting privately without including the entire Board, confidentiality from the workshop was being shared unlawfully but we were able to get some positive things done.

Treasurer's Report (Lane):

Operating Funds

- February total operating income was \$418,433.20.
- February total operating expenses were \$227,569.23 with no unexpected expenses.
- Operating fund balance at the end of February was \$807,436.83.
- Operating income for the year at the end of February was \$513,104.34. That is 16% of the plan for 2026. Expected income at the end of February was 18% so 2% under budget.
- Operating expense for the year at the end of February was \$476,707.11. That is 15% of the plan for 2026.
- Expected expense at the end of February was 14% so 1% over budget.

Allocated Assessment Funds

- Income for allocated operating assessments in February was \$187,173.47.
- Assessment account expenditures in February totaled \$60,168.23.
- Balance of all allocated assessment accounts at the end of February was \$453,293.39.

Invested Funds

- *Invested Reserves at the end of February totaled \$548,499.96.*
- *Total cash on hand at the end of February was \$1,809,230.18.*

There is nothing new to add. It's that time of year when we are collecting dues/fees. Please remember that there is a 3% processing fee for debit and credit cards. Our annual audit will be coming up soon by Atlas Accounting. They should finish the audit by late April or early May and will issue a report thereafter.

Manager's Report (Mgr. Wilkin)

- The Member of the Month is Ken Wagner. Ken is involved in many clubs and helped start the Sioux Cove Fireworks display. Please congratulate Ken if you see him out in the community.
- The Employee of the Month is Jack Hawthorne. He has worked in the Maintenance department for the past six years. He is a great equipment operator and helps out wherever he is needed. Please congratulate Jack if you see him out in the community. He will be the one wearing a taboggan.
- The golf cart decals are in. They are the same size as the boat decals to make it easier for people to report offenders. Please place them on the left rear fender of your golf cart instead of the front window. If you showed your boating certification card last year, you should be able to get a decal this year without having to show it again.

- I would like to take a moment to provide an update on several key initiatives and accomplishments from the past month.
- Avian Bird Flu Response: Over the past several weeks, our team has been actively managing the effects of Avian bird flu within the community. To date, we have removed just over 160 deceased geese from the lake and surrounding areas. We also collected a hawk, crow and several woodpeckers. This has been an ongoing effort by our maintenance staff to ensure the health and cleanliness of our environment. It posed no harm to people and is behind us. I want to thank our team for the diligence and prompt response in addressing the issue.
- Recycling Program Survey: As part of our ongoing effort to improve services and sustainability within the community, we have launched a Recycling Program Survey. This survey was distributed through an email blast to members, shared on our Facebook page, and posted on the Lake Waynoka website. We encourage all members to take a few minutes to complete the survey so we can better understand community interest and determine the feasibility of implementing a recycling program. This is a free program and we need 60% participation to qualify. If you'd like to sign up to receive email blasts, please contact the Office and they will add you to the list. We are working with the Civic Club to collect cans for recycling. This revenue funds the Labor Day Fireworks show.
- The split rail fencing at the front entrance of the lake has been replaced, and the improvement looks fantastic. I would like to extend a sincere thank you to our maintenance team and our contracting partners for completing the work efficiently and helping enhance the appearance of our entrance to the community. We replaced the fencing around the Lounge and are looking to replace the fencing at the campground.
- Campground Water System and EPA Compliance: Since February 25, we have been working closely with the EPA and Health Department regarding matters related to our water systems, particularly within the campground. As many of you know, The WRWSD and the water plant supply water to the campground, which places that portion of the system under EPA oversight. Once the water is distributed within the campground, the WPOA becomes responsible for ensuring compliance with Health Department regulations, particularly with regard to preventing cross-contamination in the water supply. Following the scheduled EPA inspection on February 25, several items were verbally identified that require correction before the campground water system can be activated. These items include: Backflow prevention on the water mains entering the campground. Backflow prevention at the campground dump stations and associated frost-free hydrants. Vacuum breakers at every water supply connection within the campground. We were informed that the water coming to the campground cannot be turned on until these issues are corrected, tested, and inspected by Brown County Health Department. Immediately following the inspection, we coordinated with the Health Department to meet onsite and began outsourcing the materials necessary to bring the system into compliance. Initially, we were told that parts would take approximately three weeks to arrive, followed by two weeks of labor to complete the work. Thankfully, Mr. Dan Pike worked closely with Mr. Rob Bynum and their contacts at Ferguson Supply, and they were able to locate many of the required materials much sooner than expected. As a result, most of the parts are scheduled to arrive this Wednesday, reducing the original lead time from three weeks to approximately one week. While there is still a significant amount of work ahead, this progress puts us in a much better position to complete the necessary upgrades. The current cost of these improvements is estimated to be between \$35,000-\$40,000. I would again like to thank Rob Bynum and Dan Pike for their efforts in helping expedite these materials. We now turn our attention to Chris Bales and his team, who will be working to complete the installation and inspections as we strive to open the campground on schedule.
- The lake has returned to full pool. As a reminder, each April we open the gate valve to allow lake water to help dilute the sewer lagoon as part of the process of reintroducing treated water back into the environment. The process usually takes two weeks to complete. We will communicate the specific timing of this process as we get closer to the scheduled opening.
- The floating docks for Kiddie Coral and Squaw Valley are scheduled to arrive and be installed the third week of April.
- Overall, the past month has involved a great deal of coordination, problem-solving, and teamwork across multiple departments and partners. I appreciate the efforts of our staff, board members, volunteers, and community partners who continue to help move important projects forward and keep Lake Waynoka operating smoothly. Thank you for your continued support.

Lake Waynoka Police & Front Gate Report for February 2026 (Chief Callahan):

Other Information from the Lake Waynoka Police Department

- **Reminder:** The Ohio state issued burn ban began March 1, 2026, per Ohio Revised Code section 1503.18. This will remain in effect through the end of May. Burning is prohibited across the state from 6:00am-6:00pm. Signs advising of the burn ban have been posted at the front and back gate entrances. Members who plan to burn during permitted hours are to call and report the activity to security prior to any burning. For more information, please visit <http://ohiodnr.gov/> Members who wish to burn during permitted hours are to call the front gate to advise of any planned burning prior to initiating in accordance with WPOA Rules and Regulations (Volume 1) Section 2.
- If you got a boat decal last year, the boat certification box should have been checked so you will not need to present your certificate of completion again. If you have any issue, please contact Chief Callahan.
- There is a rumor that several home break-ins have occurred in the community. There has only been one report of an attempted break-in. We collected good evidence at the scene. If you see any suspicious behavior, please report it. Chief Callahan's door is always open.

Unfinished Business:

- Trustee Wagner made three motions. Motion #404 is to rescind the motion allowing temporary campers to obtain a pass for their golf cart while camping. Motion # 405 to approve the new rules for the campground. He stated that Trustees have had access to the revisions for two months. The updated rules have had input from Trustees, campground manager and campground committee. Motion # 406 is to remove the campground and building/zoning regulations from the yellow book.
- President Eads said Motion #405 is out of order. Not all Trustees were able to review the updated campground rules and regulations as this was on Trustee Wagner's personal google drive dated 3/14/26 in newspaper layout. The version presented for board action contains Wednesday, March 4, 2026 additions, which include the addition of carports, grandfathering oversized decks and changes in campsite plot measurement methodology, that were created outside a properly noticed board meeting and no minutes were provided. That version also does not state it repeals all former rules and regulations. As discussed in the Monday, March 9, 2026 workshop, it was agreed to use this version (yellow book with appendix A added) and if these structural and dimensional conflicts were removed. Further review noted a motion in the yellow book version and other language had also been omitted from this version without board discussion or a vote to repeal the motion. The Wednesday, March 4, 2026 gathering did not meet Code requirements for notice, quorum, attendance control, or minutes (Article III, section 6.1-6.3; Article III section 1; Article VI section 6.1; Article X, section 1; Article III, section 7). Substantive changes affecting structures (e.g. carports) and dimensional allowances (e.g. Oversized decks, changes in measurement methodology) implicate the OAC 3701 code requirements, which are within the requirements of State of Ohio License for the Campground and would require State approval to change. The "Wagner" working draft was only provided yesterday, 3/13/26, to be uploaded to the official WPOA files as required by Board records (Article X, section 1). There board members have not had the opportunity to review the shared document loaded on the WPOA shared drive yesterday. Until the proper process is followed, the Wednesday additions are not valid Board work product. Secretary Klein said there would need to be a 2/3 majority vote to kill the motion and is against blocking it. Treasurer Lane asked if the updated campground rules and regulations violate the Ohio Revised Code (ORC). Klein answered no and said all ORC are being followed. President Eads added that the current license for the Lake Waynoka campground has rules set per the State of Ohio. Trustee Wagner said the google comments were open for all Trustees and would like to move forward with a vote. Trustee Bynum stated that we have the EPA, State of Ohio and Brown County Health department breathing down our necks at this time and we need to cover our butts by gathering information about deck sizes, sheds, ect. And they should be ran by our attorney. He does not want to take anything away from the campers. We need to follow the rules as set forth by these agencies. Mgr. Wilkin is in the process of obtaining language clarifications. Vice President Bisbee called for a vote. Please see motion and results below.
- President Eads said Motion #406 is also out of order as the motions in the yellow book have not all been transferred into the Vol 4 Campground Rules, verbiage has been bypassed and opens the WPOA to liability issues.

New Business: None

Motions and Resolutions:

- Motion #404 was made by Wagner and seconded by Klein rescind Motion #361, which required temporary campers who wish to bring an unregistered golf cart or UTV into Lake Waynoka to obtain a temporary registration and pass in order to use those vehicles within the community. This motion is being proposed because the newly adopted Campground Rules and Regulations – Volume 4 does not allow temporary campers to bring unregistered golf carts or UTVs when camping at Lake Waynoka. As a result, Motion #361 is no longer consistent with the current campground rules and regulations, and rescinding the motion will align policy with the updated campground regulations. A roll call vote was taken and the motion passed unanimously.
- Motion # 405 was made by Wagner and seconded by Klein that the Waynoka Property Owners Association Board of Trustees approve and adopt the Campground Rules and Regulations – Volume 4 for the campground located within Lake Waynoka. This motion authorizes the implementation of the updated Campground Rules and Regulations – Volume 4 as the governing guidelines for campground use, operations, and enforcement, replacing any prior versions of the campground rules currently in effect. Upon approval, the updated rules shall become effective immediately and will be communicated to members, campers, and staff as the official campground policy. A roll call vote was taken and the motion passed with six yeas and three nays (Bynum, Eads and Lane).
- Motion #406 was made by Wagner and seconded by Klein that the Waynoka Property Owners Association Board of Trustees amend the Rules and Regulations (General) by removing and/or striking all rules and provisions related to campground regulations and building code requirements, as these areas are now governed under their own separate rule books. This action is intended to eliminate duplication and potential conflicts by ensuring that campground matters are governed by the Campground Rules and Regulations Vol. 4 and that construction, building, and property improvement requirements are governed by the Rules & Regulations Vol 2 (Zoning/Building Requirements) for Lake Waynoka. The removal of these sections from the General Rules and Regulations will clarify governance, improve organization of the Association's policies, and direct members to the appropriate rule books for each subject area. A roll call vote was taken and the motion passed with six yeas and three nays (Bynum, Eads and Lane).

- Motion #407 was made by Lane and seconded by Bynum to approve the revised Zoning and Building Regulations, Volume 2, dated “3-13-26”, as presented. This document was shared with the Board in January and February for review. Purpose of Revision: Continuous Improvement. The revision incorporates the following updates: Updates to the Zoning and Building Regulations, Volume 2 were made due to the WRWSD Utility Restrictions; This version has been updated for clarity and to improve general usage of the document and information: Changes include: general editorial updates and corrections; added separate forms for various build types, defined allowable building structures (all was previously used and was too vague); demolition requirements. The document being returned to standard paragraph format for easier location of content by the end user. These changes have been endorsed by the building committee by written email confirmation. A roll call vote was taken and the motion passed unanimously.

Community Suggestions: None

Membership Compliments & Comments:

- Ed Von Lehmden – Heard a rumor that the campground could not open because of the campground rules and regulations not being approved. Campers pays their dues like everyone else. Mgr. Wilkin said the campground cannot open because of a water issue concerning backflow preventers.
- Rhonda Maybriar – would like the February Special Meeting minutes of the Board submitted and published. She believes the meeting was not valid since other items were discussed (besides what was listed) and community members invited that was not stipulated in the letter sent to all Trustees.
- Jim Hewes – Heard his name was part of the Police report in November. His name was mentioned in passing, however, Jim was startled to read the report of events that occurred at the WPOA workshop. He encouraged everyone to read the report which is available at the office. The cost is \$2.50 to have it printed.
- Kim Kramer – thank you Trustees for their yes votes on approving the campground rules and regulations updates. She disagrees with the comments made about the campground and Ohio Revised Code statements. Campers are compliant. The rules are ridiculous.
- Verna Smith – Saw lots of disrespect today and lots of eye rolling. This is not a path that she wants our Board to display. She would like unity and is hopeful we can move forward.

Other Committee Reports:

Building (Barge): None

| Permit | February | Year to Date |
|----------------|-----------|--------------|
| Residence | 1 | 3 |
| Dock/Boat Lift | 5 | 9 |
| Additions | 1 | 1 |
| Repair/Replace | 1 | 1 |
| Pool | 0 | 0 |

| Garage | 1 | 3 |
| Storage | 0 | 1 |
| Boat Cover | 0 | 0 |
| Fence | 0 | 1 |
| Misc | 0 | 0 |
| Totals: | 11 | 21 |

Election Inspectors/Nominating (Nan McHugh, L. Stover; Dawn McNees, Nominating Chairperson): None

Lake Advisory (Wilks/Bisbe): None

Long Range Planning Committee (Borgman/Lane): The annual LRPC report is due in April. It will be presented to the Board for review.

Rules and Regulations (Taylor): The committee is still working on revisions. We are looking at voting on it in pieces with Election Buddy.

Campground Committee (Abbatiello/Klein): None

Community Organizations:

- Civic Club (John Aldrich): Bingo tonight. We will be having a meeting on March 23rd.
- WaterSports Club (Terry Borgman): We will celebrate Earth Day on Sunday, April 26th. Please meet at the Lodge at noon. We will provide gloves and garbage bags. A free lunch will be provided to volunteers after the event.
- Shawnee Women’s Club (Jennifer Wagner): We are renaming our club name to the Lake Waynoka Women’s Club. We are very active in the community. We are hosting a Spring Fling on March 28th in the Rec Center. It is open to everyone.

Adjournment: The motion to adjourn was made by Bynum and seconded by Lane. A yea/nay vote was taken. All were in favor and the meeting was adjourned at 11:31am

Rhonda J. Maybriar, WPOA Assistant Recording Secretary

WRWSD Board of Trustees Monday Meeting - 02/23/2026

President P. Levermore called the meeting to order at 6:00pm.

Roll Call: Present: Dombroskie, Engle, Feil, Harper, Levermore, Mgr. Wilkin, Supt. Wilson

Absent: Armstrong and Gruber were excused.

Minutes: A motion was made by Feil and seconded by Harper to approve the 2/14/26 minutes as distributed. A yea/nay vote was taken and the motion passed unanimously.

President's Report (Levermore): President Levermore asked Trustees what size (home) capacity should we plan for the WRWSD plant expansion. It was determined to double capacity to roughly 2,200 homes (at 100% max capacity) with 1,750 being at 80% capacity until directed otherwise. Supt. Wilson will speak with DLZ Engineer, Gary Silcott, to look at the size of our pipes and other potential limiting points within the system to make sure they will be able to handle the increased volume.

Treasurer's Report (Feil):

- Treasurer Feil passed out the January and February financial statements for signatures.
- Mgr. Wilkin presented several Motions.
 - Motion #2026-03 does not change the total expense amount of \$1,986,612.00. This motion eliminates account #11256 (All Max software) and moves those funds, in the amount of \$50,000, to account #11183 (Information Technology). This will give this line item a budget of \$53,000.
 - Motion #2026-04 closes CD #700700543 and moves those funds to water reserves as a cushion for Brown County Rural Water fees, permits and increased water testing. This is in conjunction with newly implemented EPA requirements. Supt. Wilson has everything ready to go once he receives the official notice. As we collect the water assessment fees, we will look to open another CD at the end of the year, if water reserve funding is increased.
 - Motions #2026-05 and #2026-06 are reinvesting matured CDs at First State Bank.
 - Motion #2026-07 was to review a WRWSD application for grinder and water/sewer tap installation.

Manager and Plant Superintendent Report (Mgr. Wilkin/Supt. Wilson):

- After the recent sub-zero temperatures, we have everything unfrozen and started up. We hope to be producing our own water by the end of the week.
- We had one grinder pump service call in January.
- Supt. Wilson passed out the monthly report for Metered and Total water usage by the WPOA, WRWSD and Homeowners. Everything is running as expected.
- The SCADA system is installed and is EPA compliant.
- We have an EPA plant inspection this Wednesday.
- Mgr. Wilkin said a few residents are in arrears with their water and sewer bills. He is contacting them to work out a payment plan before shutting off services to their home. He plans to create a formal policy moving forward. AJ is working to eliminate the ability to pick and choose which parts of the bill you'd like to pay. It will be one amount in the future.
- A question was asked if our information system can report to WRWSD employees if it notices increased water usage that may indicate a water leak. Supt. Wilson said our software reads in real-time and is very intelligent.
- Logging of the WRWSD back property is scheduled to begin in mid-March. This will generate \$25,000 - \$30,000 from harvesting 450 trees. The funds will be used to rent a long-reach excavator to dredge the reservoir from the shoreline.

Old Business: Treasurer Feil asked for an update about the second clarifier. We have one picked out and are meeting with DLZ to get the clarifier ordered and on its way.

New Business: None

Motions and Resolutions:

- Motion #2026-03 was made by Feil and seconded by Engle to change the 112-56 Allmax Software to 112-56 Information Technology. As well as amending the 2026 Budget for the SCADA Historian Software that is required by the EPA. Account #112-56 Information Technology budgeted amount \$3,000.00; budget amendment \$53,000 so a difference of \$50,000.00. Total expenses equal \$1,986,612.00 with a difference of \$0.00. A roll call vote was taken and the motion passed unanimously.
- Motion #2026-04 was made by Feil and seconded by Harper to withdraw CD#700700543 that matured on 2/5/26 at First State Bank with a balance of \$148,780.69 at the time of maturity. This CD will be deposited into our Water Reserves. A roll call vote was taken and the motion passed unanimously. Motion #2026-05 was made by Feil and seconded by Harper to reinvest CD#700700617 that matured on 2/5/26 at First State Bank for 7 months at a rate of 3.5 APY at First State Bank. A roll call vote was taken and the motion passed unanimously.

- Motion #2026-05 was made by Feil and seconded by Harper to reinvest CD#700700617 that matured on 2/5/26 at First State Bank for 7 months at a rate of 3.5 APY at First State Bank. A roll call vote was taken and the motion passed unanimously.
- Motion #2026-06 was made by Harper and seconded by Dombroskie to reinvest CD#700700878 that matured on 2/16/26 at First State Bank for 7 months at a rate of 3.5 APY at First State Bank. A roll call vote was taken and the motion passed unanimously.
- Motion #2026-07 was made by Feil and seconded by Dombroskie to approve WRWSD permits for lot #1258. A roll call vote was taken and the motion passed unanimously.
- Motion #2026-05 was made by Feil and seconded by Harper to reinvest CD#700700617 that matured on 2/5/26 at First State Bank for 7 months at a rate of 3.5 APY at First State Bank. A roll call vote was taken and the motion passed unanimously.
- Motion #2026-06 was made by Harper and seconded by Dombroskie to reinvest CD#700700878 that matured on 2/16/26 at First State Bank for 7 months at a rate of 3.5 APY at First State Bank. A roll call vote was taken and the motion passed unanimously.
- Motion #2026-07 was made by Feil and seconded by Dombroskie to approve WRWSD permits for lot #1258. A roll call vote was taken and the motion passed unanimously.

Board Member Concerns:

- Secretary Dombroskie passed around a newspaper article that detailed water and sewer costs at communities near Dayton, Ohio. Based on this list, our rates are very comparable and near the lower end of charges.
- Secretary Dombroskie would like the Board to discuss ways to keep good employees. Perhaps at the next meeting.
- Vice President Engle has My Water Advisor app installed on his I-phone. He has noticed that it does not provide alerts. He has called Master Meter to inquire, and they do not know why it isn't working. He asked other Trustees to check it out and give him some feedback.
- President Levermore reminded everyone that we will need to drain the lagoon mid-April and we may get questions about that since the lake was already dropped low enough for folks to fix their docks and boat lifts. We are only permitted to drain the lagoon twice per year. This lagoon holds our wastewater until it can be diluted and sent downstream.

Adjournment: The motion to adjourn was made by Engle and seconded by Feil. A yea/nay vote was taken. All were in favor and the meeting was adjourned at 7:26pm.

Rhonda J. Maybriar, WRWSD Assistant Recording Secretary

WRWSD Board of Trustees Monday Meeting - 03/14/2026

President Levermore called the meeting to order at 9:30am.

Roll Call: Present: Dombroskie, Engle, Feil, Gruber, Levermore, Mgr. Wilkin

Absent: Armstrong and Harper were excused.

Minutes:

- A motion was made by Engle and seconded by Dombroskie to approve the 2/23/26 meeting minutes as distributed and read. A yea/nay vote was taken and the motion passed unanimously.
- A motion was made by Feil and seconded by Dombroskie to amend the 2/14/26 minutes as follows: "Brown County Rural Water cannot provide water permanently to Lake Waynoka based on its commitment to Mt. Orab". The 2/14/26 minutes will strike the comment containing the "data center" as it was written in error. A yea/nay vote was taken and the motion passed unanimously.

President's Report (Levermore): None

Treasurer's Report (Feil): Treasurer Feil has reviewed the February financials and found no issues.

Manager and Plant Superintendent Report (Mgr. Wilkin/Supt. Wilson):

- Over the last month, we have applied for \$11 million in grants to help pay for the water and sewer expansion.
- The EPA completed their annual inspection of the WRWSD plant and water distribution. They walked through the community and found 5 frost-free hydrants which then led to the discovery of missing backflow preventers in the campground. Absence of these preventers can allow water to become cross contaminated. As purveyors of water, the WRWSD must provide clean water for consumers. The Brown County Health Department (BCHD) determined that the water cannot be turned on to the campground until the backflow preventers are installed. We are following the guidance of the EPA and BCHD in fixing these issues.
- The lake is full. We will be opening the valve mid- April to drain the lagoon. This process should only take two weeks and minimal lake water drop is expected. We will not be able to drain the lagoon again until November.
- The EPA has approached us about direct discharge. I will be sharing more information with the Board at the next Monday meeting. It is by no means a done deal but we are trying to get there.

Old Business: None

New Business: None

Motions and Resolutions: A motion was made by Feil and seconded by Engle to approve the February 28 th financial statement as distributed. A yea/nay vote was taken and the motion passed unanimously.

Board Member Concerns: Secretary Dombroskie announced an article in the Dayton Daily News detailing water rates of 150 communities. Based on this comparison, Lake Waynoka is 4 th to 5 th from the top when listing cheapest rates. President Levermore said the Ohio EPA also does a water and sewer rate study listing each community's prices for water and sewer rates.

Membership Concerns: None

Adjournment: The motion to adjourn was made by Engle and seconded by Feil. A yea/nay vote was taken. All were in favor and the meeting was adjourned at 9:55am.

Rhonda J. Maybriar, WRWSD Assistant Recording Secretary

GRINDER PUMP CARE

NEVER put these items in your system!

These items can cause pump failure!

**RED LIGHT ON?
CALL FOR SERVICE!**

- Call WRWSD: 937-446-3256 • Mon. - Fri. • 7:30am - 4:00pm
- Call Gate House: 937-446-3214 • After Hours

DURING POWER OUTAGES WATER USAGE SHOULD BE MINIMIZED

REPORT ELECTRIC OUTAGES: 1-800-543-5599

**Flushable Wipes Clog Pumps!
DO NOT USE!**

GRINDER PUMP REMINDER

Please **DO NOT** open your water meter for any reason. If you feel there is a problem, please contact the WRWSD plant (937-446-3256).

Give your grinder pump air!

If you are going to landscape around your grinder pump, the grade around the pump should be a minimum of 4" below the top of the lid and sloped away from the unit.

Reduce Water Use

Save **2.5 gallons** of water per minute

While **shower water** warms up, catch it in a bucket and use it to water plants

- Use a water efficient flush toilet.
- Find and repair leaks.
- Take a quick shower.
- Convert to water and energy saving faucets.
- Avoid wasting running water as possible.
- Use an energy efficient washing machine.
- Water plants during the coolest part of day.
- Clean driveways and sidewalks with a broom instead of hose.

NO WAKE is defined as the lowest speed possible to maintain headway and navigation.

All coves and inlets in their entirety beginning at their entrance from the main lake are **NO WAKE** zones as well as within 50 feet of the Dam and all main lake shorelines.

SLOW DOWN & PROTECT OUR SHORELINES!

Always direct the grass clippings from your mower away from the water. Never rake or 'blow' leaves into the Lake, While some decaying matter is necessary for certain aquatic life in a lake, too much is harmful!

Public Service Announcement

4511.50 WALKING ALONG ROADWAY:

WHERE NEITHER SIDEWALK NOR SHOULDER IS AVAILABLE, PEDESTRIANS SHALL WALK AS NEAR TO THE OUTSIDE EDGE OF THE ROADWAY AND ONLY ON THE LEFT SIDE OF THE ROADWAY, FACING TRAFFIC. ANY PEDESTRIAN UPON A ROADWAY SHALL YIELD THE RIGHT-OF-WAY TO ALL VEHICLES UPON THE ROADWAY. PLEASE REMEMBER TO NOT LET CHILDREN PLAY IN THE STREETS AND HELP THEM KNOW TO MOVE OUT OF THE WAY OF A CAR WHEN RIDING THEIR BIKE.

WPOA REMINDER

All dogs shall be leashed at all times when outside of a fenced or otherwise contained area. All pets will be controlled by their owner and not become a nuisance (excessive barking, etc.). Violations will be subject to penalties specified in Fine Schedule 1.

WPOA General Rules & Regulations, Pg. 4

Lake Waynoka Chapter Quilts of Valor – Honoring Our Veterans

As we celebrate our nation's 250th anniversary this year, we are reminded of the courage and sacrifice of the brave men and women who have served in our military to protect our freedom. In that spirit, we are proud to introduce the new Lake Waynoka Chapter of Quilts of Valor.

Our mission is simple but meaningful: to provide handmade quilts to our local Veterans as a symbol of comfort, warmth, and heartfelt gratitude for their service. At Lake Waynoka alone, we have over 30 Veterans, and it is our goal to ensure that each one receives a Quilt of Valor.

We meet on the first and third Tuesday of each month from 9:00 AM to 12:00 PM at the lodge, where volunteers gather to piece quilts together. We welcome anyone who

would like to help—whether you sew, iron, or simply want to be part of a great cause, there is a place for you in our group.

We are also seeking:

- **Fabric donations**
- **Monetary contributions** to help cover costs

Each quilt costs between **\$200 and \$300** to make, and every donation—big or small—brings us closer to honoring another Veteran.

This is a wonderful opportunity to give back to those who have given so much. Your support helps us wrap our Veterans in a tangible expression of appreciation and respect.

For more information, to volunteer, or to contribute, please contact:

Kathy Aldrich

Apple Enchilada Dessert

Ingredients

- 1 (21 ounce) can apple pie filling
- 6 (8 inch) flour tortillas
- 1 teaspoon ground cinnamon, or more to taste
- 1/2 cup packed brown sugar
- 1/2 cup water
- 1/3 cup margarine
- 1/2 cup white vinegar

Instructions

- Preheat the oven to 350 degrees F (175 degrees C).
- Spoon fruit evenly onto all tortillas and sprinkle with cinnamon. Roll up tortillas and place seam side down on a lightly greased 8x8-inch baking pan.
- Bring white sugar, brown sugar, water, and margarine to a boil in a medium saucepan. Reduce heat and simmer, stirring constantly, for 3 minutes.
- Pour sauce evenly over tortillas; sprinkle with extra cinnamon on top to taste.
- Bake in the preheated oven for 20 minutes.

Recipe Tip

This recipe makes 6 large rolled tortillas that may be cut in half to serve 12.

2026 Important Reminders

To assist residents in remaining in compliance with community regulations, please be advised that the following items require annual renewal for 2026:

- Boat Decals**

All boats kept, stored, or operated within the community must display a valid 2026 boat decal.

- Golf Cart Decal**

Golf carts are required to be registered annually and must display a current 2026 golf cart decal.

Decals may be purchased at the Gate House. Purchase dates will be announced at a later time.

Routine inspections will be conducted to ensure compliance with community regulations.

All vehicles must have current tags and are drivable.
Disabled vehicles are not allowed on property.

All decals and RFID's must be renewed by May 1st, 2026.

Honoring

Eileen Brown

Monday, May 11 • 6:30 PM in the Lodge

Wine & Cheese Party provided
by *Art Club*

Eileen Brown

is a retired commercial artist who trained at the Central Academy of Commercial Art in Cincinnati and went on to work for Gibson Greeting Cards, where she managed in-house graphics and continued with the company after its transition to

American Greetings. After choosing early retirement, she built a successful freelance career, co-founding a mural and faux-finishing business whose work was featured in Better Homes and Gardens. Since moving full-time to Lake Waynoka, Eileen has contributed extensively to the community through art, including designing a dock and picnic area signage, helping create the Lake Waynoka billboard, and producing artwork for the Civic Club calendars. She has also taught weekly art classes and led many Art Club Uncorked on Canvas paint nights.

Adopt an Area Program

Make community and conservation a year-round commitment at Lake Wayneoka!

The Adopt an Area Program offers a meaningful way to keep specific spots in the community beautiful with a sustained year round effort. Remember the impact we can make when we come together for cleanups by rolling up our sleeves to care for our surroundings.

The WaterSports Club would love for you to continue to be a part of it and come together, have fun, and ensure Lake Wayneoka remains cleaner and greener for everyone!

If you have any questions contact
Terry Borgman at terry_borgman@hotmail.com or
Sue Levermore at waynoka22@gmail.com

Make every day Earth day

Preserve the health of Lake Wayneoka. Use these environmentally friendly tips to protect our waters.

- ✔ Use silt fence with any excavation to reduce erosion.
- ✔ All shoreline protection rock should have at least a 6" rip rap to prevent being washed away.
- ✔ Secure trash containers on dock or near lake.
- ✔ No blowing or raking of leaves or grass into lake.
- ✔ Use eco-friendly boat fluids and boat wash (biodegradable, non-toxic).
- ✔ De-winterize your boat on land, not in water.
- ✔ Avoid overspray when staining/painting docks.
- ✔ Rock ditches and drain pipes.
- ✔ Avoid moving any rock on the dam.
- ✔ Clean up public docks, removing all trash when you leave.
- ✔ Recycle motor oil.
- ✔ Be mindful of lawn fertilizers and weed killers as all runoff goes to the lake

LAKE WAYNOKA CAN RECYCLING

Turn Your Cans into Fireworks!

♻️ **Recycle for a Cleaner Community**

Bring your aluminum cans to the Can Trailer located at Little Turtle.

Your recycling efforts directly help the Civic Club fund the Labor Day Fireworks a celebration the whole community enjoys.

Why It Matters

- Keeps Lake Wayneoka clean and beautiful
- Supports a beloved community tradition
- Turns everyday recycling into something spectacular

Be Part of the Spark!

Do the right thing for the environment **and** enjoy the fireworks show knowing **YOU** helped make it happen.

Every can counts — thank you for supporting Lake Wayneoka and the Civic Club!

Lake Waynoka widowed group

This is a group no one wants to be in but here we are. The loss of a spouse is a life changing event. We meet the last Wednesday of each month at 5:00 in the lodge library and discuss various topics, really whatever anyone wants. It is not professional therapy but it can be very helpful and healing to talk with others who really understand what you are going through. You really don't need to talk if you feel you are not ready, it can be helpful to just listen. When you are ready we are a nice supportive group here for you.

Meetings are held at 10:00 AM on the first Saturday of the month at the Lodge.

ORGANIZATION SPOTLIGHT FOR May 2026

Submissions for the June 2026 (Issue 453) newsletter must be received by 05/12/2026 by 4pm. No Exceptions.

Submissions will be added on a month to month basis unless you are a paid advertiser. If you want your flyer/event ad to run in more than one month, it must be discussed with the newsletter editor (newsletter@lakewaynoka.com) first.

{ART CLUB} (sandy.beard17@gmail.com) Sandy Beard

Art Club meeting is the second Monday of the month at 6:30 in the lodge. Everyone is welcome to attend. Please see the flyers in the newsletter for our events. Please contact sandy.beard17@gmail.com if you have any ideas for our monthly meetings. Please check out the newsletter and [Lake Waynoka Art Club Facebook page](#) for more information.

{BOOK CLUB} (lindajstover51@gmail.com) Linda Stover:

The Waynoka Book Club meets the 2nd Tuesday of every month at 10:00am in the Lodge Library to discuss a chosen book and hold a short meeting. The May book is "The Speckled Beauty: A Dog and His People" by Rick Bragg. The June book is "The Orphanage By the Lake" by Daniel G. Miller. Books are ordered and available at the Sardinia library a month before the meeting. Contact Linda Stover at lindajstover51@gmail.com or Sue Mohler at sue@dbmim.net for more information. The Evening Book Club meets the last Thursday of the month in the Lodge Library at 6:30 pm. The group also meets in member's homes. The May book is " Before We Were Yours" by Lisa Wingate. Contact Vicki Nimmo at nimmovicki@yahoo.com for more information. The evening group reading list is on the Waynoka Facebook page.

COOKBOOKS FOR SALE: We have cookbooks for \$10. All proceeds from the book sales go to the Annual Lake Waynoka Book Club Scholarship Fund. Contact Linda Stover or Vicki Nimmo if you would like more information or to purchase cookbooks or make a donation to the Scholarship Fund.

THE LIBRARY is open to everyone at Lake Waynoka. Books are free to take and return when you are finished. There is a great selection of mysteries, novels, romance and non-fiction books to choose from. Donations are appreciated. Please donate small amounts of books at a time to help out our library volunteers
We would love to have you join us!

{CIVIC CLUB} (civicclub@lakewaynoka.com; 513-290-6434) John Aldrich:

Join us at our next meeting April 27 at 7pm at the lodge! We have lots of things planned for 2026! BINGO every 2nd and 4th Saturday of the month. Just in time for Mothers day, Shop at John Flowers Greenhouse and identify yourself from Lake Waynoka and he will donate a portion of the sale to the Civic Club. May 12th is the cutoff to be included on the Yard Sale May 16th Map. You can donate saleable leftovers to the Civic Club and we'll sell them at the August Fireworks yard sale, date tbd. JUNE 6 PANCAKE BREAKFAST at the Lodge 7-9am. Your Lake wear purchases help support the club as well as RECYCLING your Aluminum Cans! We appreciate your support and we'll have donuts and coffee at the next WPOA meeting!

{GOLF CLUB} (304-546-3713) Dave Adler:

"What do Jack Nicklaus, Nick Faldo, Tiger Woods, Rory McIlroy. and Craig Markin have in common? They are all back-to-back winners of either the Masters Tournament or the Lake Waynoka Golf League. Surprisingly, the first four are still looking for their first Lake Waynoka league win!

Can anyone keep Craig from a third consecutive win this year? Might it be you?

Our league is a lot of fun. It is far more for enjoyment than for competition. We generally play scramble format with twists that vary from week to week. Guys and gals of all skill levels are welcome, and you can participate as regularly or as seldom as your schedule allows. It's a great way to meet people and make new friends. The league starts on May 5 and goes through September, We meet at 9:00 Tuesdays at Buttermilk Falls in Georgetown. The cost is \$17 for the nine holes, which includes cart. Each golfer also puts a dollar into the prize fund each week (clearly the prizes are not all that great - mostly for pride)!

Hope to see you there!"

{HEALTH & RECREATION CENTER} (937-446-1778) Chris Walton:

Don't forget to purchase your debit punch cards at the Administration office to use for all your guests! Daily drop-in guest fee is \$10/person. Members must be with their guests. Don't forget to grab a Group Exercise Class schedule and an Activity schedule for all our offerings. Guests may come to any exercise class or activity for \$5/person *\$5 fee for class or activity only, during scheduled times. The Gymnasium is available for private party rentals with full gym and half gym rental options. The outdoor pool pavilion is also available to rent for private use. Must come in and pay in full + deposit to reserve. No holds. Don't forget to like our Facebook page, Lake Waynoka Rec Center, for information and details on classes, events, and activities! We look forward to seeing you! www.facebook.com/HealthandRecCenter

{CAMPGROUND} (donita@lakewaynoka.com; 937-446-2887) Donita Hagen:

Welcome Back Campers!!!! April is the month for everyone to clean up their campsite, wash your campers and sheds, All tarps need to be removed by May 1st. Don't forget to see Donita to get all your information updated and to get your 2026 camper decal.

{LAKE WAYNOKA WOMEN'S CLUB} (jennifercwagner5@gmail.com 513-703-1432) Jennifer Wagner:

Lake Waynoka Women's Club is a social and community service organization at Lake Waynoka. We host several community events throughout the year. Meetings are at 10 am in the Lodge on the first Wednesday of every month. All are invited to be part of the Club and help with our community events even if you can't make it to meetings. Call Jennifer to find out more.

{GARDEN CLUB} (lakewaynokagardenclub@gmail.com; 937-205-7916) LOUIS MAYS: Nothing reported

{WATERSPORTS CLUB} (v.smith5100@gmail.com) Verna Smith:

Earth Day cleanup Sunday, April 26th, Please arrive at noon, Rec center parking lot. We encourage everyone to come support the cleanup and enjoy a free meal that will be provided. We are still looking for 3 owners to sponsor a site for the Poker Run, owners do not have to have a house on the lake, they may participate at their nearest dock area. For more information and if you have any questions, please reach out to Verna Smith, v.smith5100@yahoo.com. Please notify Shauna Tamanko at stamanko@gmail.com if you are interested in volunteering or be a part of the Club. To stay up to date on club news follow us on Facebook at [Waynoka Watersports](https://www.facebook.com/WaynokaWatersports).

2026 Summer of Family Concerts

Music on The Green Series

The **2026 Summer of Family Concerts** are coming up soon; we'd love your sponsorship to be part of the Lake Waynoka community!

We will be hosting **four bands** for our *Music on The Green* series, performing on weekends **from 8:00 PM to 11:00 PM outside of the Lodge**. You may choose to **sponsor one band or all four**, giving your business great exposure throughout the season.

This is a wonderful opportunity to promote your business and receive recognition in the following ways:

\$100 LEVEL SPONSORSHIP INCLUDES:

- **Promotional Flyers & Signs** – Posted throughout our gated community
- **Social Media Exposure** – Featured on the Lake Waynoka Website, Facebook and Instagram, including your logo and website link
- **Waynoka Newsletter** – FREE advertisement on concert flyers, available online.
- **On-Site Advertising** – Display your provided yard sign or banner near the stage (please bring materials and sponsorship to the office)
- **Business Announcement** – Your business will be announced by the Band during the event

\$200 LEVEL SPONSORSHIP INCLUDES:

- Everything is at the \$100 level, plus:
- **Premium Banner Placement** – Larger banner displayed on the Lodge
- **Extended Promotion** – Your business card featured in a future newsletter (a \$30 value)

If you are interested, please let me know as soon as possible. You can reply with your **business name, logo, contact number, and website**—a business card image works great.

We also invite you to join us at the concerts, they're always very well attended!
Thank you for your support, we look forward to partnering with you!
