WAYNOKA PROPERTY OWNER'S ASSOCIATION, INC. (WPOA) GENERAL RULES & REGULATIONS

Notice: Unless otherwise specified, violations of rules/regulations will be subject to penalties stated in Class 1 Fine Schedule. See Section IX for Fine Schedules.

I. MEMBERSHIP

MEMBERS-in-good-standing may request annual membership (GUEST) cards for their mother, father, grandmother, grandfather, sons and/or daughters, and their spouses and children or an individual declared by a MEMBER to be a partner. All cards are subject to a charge set by the WPOA BOARD of TRUSTEES. (Note: "Good standing" means paid in full of all WPOA and WRWSD established charges plus any outstanding fines.) All membership cards are issued at the WPOA Administration Office.

When requested by SECURITY all MEMBERS or GUESTS must provide a valid membership card.

The membership year of the WPOA shall begin on the first day of March and end on the last day of February each year. DUES are due and payable the first day of the membership year, are past due April 1st, and are delinquent April 30th. (Motion # 290, August 11, 2018)

1. Work Environment

The WPOA BOARD is committed to maintaining a safe and productive work environment for both WPOA employees and MEMBERS elected or appointed to serve in an official capacity. Harassment of WPOA employees, and/or BOARD members or volunteer officials by MEMBERS, TENANTS, VENDEES, GUESTS or another WPOA BOARD member(s) or employee(s) is neither to be condoned nor tolerated at WPOA. In general, harassment refers to conduct that is unwelcome, offensive, makes a reasonable person uncomfortable, debilitates morale, and/or interferes with work effectiveness. It includes, but is not limited to, all forms of workplace harassment as defined by the EEOC, as well as verbal harassment characterized by profanity, bullying, intimidating, shouting or otherwise confronting (publicly or privately) in an uncivil manner. The WPOA BOARD will investigate all complaints of harassment, whether observed or reported. If the BOARD finds that the complaint is with merit, it shall refer the matter to the Citation Review Committee and SECURITY for further action. The Committee and SECURITY will have the discretion to take any appropriate action, including issuing a fine of up to \$500.00 per occurrence and/or referring the matter to the appropriate Brown County authority. (Motion #269, January 6, 2017; amended upon adoption of this document, November 11, 2023. [Special Class Fine])

2. Meeting Decorum Policy

At the discretion of the WPOA Board of Trustees various Trustee meetings are open to member attendance. Member attendance at open meetings is always encouraged to foster an informed membership and when appropriate, to provide a forum for members to express concerns or suggestions.

The Board's intent is to conduct all business meetings in an environment that preserves an atmosphere of dignity and respect to those who volunteer for the WPOA, who are employed by the WPOA and other meeting participants and attendees. Discussion during these meetings is expected to occur in an open and cordial manner. Member comments, questions or other constructive input are welcome as the meeting agenda or meeting chairperson may allow.

In that the Board believes that respect and courtesy during all meetings is necessary for productive business discussions regardless if one is supporting, dissenting or providing feedback, any meeting attendee conduct inconsistent with a productive meeting environment may result in action by the presiding officer to restore order. Improper conduct includes but is not limited to; speaking out of order, personal attacks, name calling, rudeness, profanity or general disruptive behavior.

Meetings of WPOA Board sanctioned standing or ad-hoc committees are considered closed meetings, restricted to committee members only, unless otherwise permitted by the committee chairperson.

Additional Guidelines for Meeting Participants/Attendees

Reports, presentations, discussions, debates and decision-making are the primary activities of the WPOA Board of Trustee meetings. These activities are fundamentally impersonal in nature. Any comments or feedback regarding these activities should be addressed to the presiding officer of the meeting or to the individual leading the discussion.

A motion or other action of the WPOA Board – its nature and consequences – may be opposed vigorously, but it is never permissible to attack the motives, character or personality of an individual, either directly or indirectly. It is the action that is the subject of any discussion.

Discussion over any action of the WPOA Board should not take place until the presiding officer opens the floor to such discussion.

Comments, feedback and opinions should be stated as concisely as possible. A speech is made not for the pleasure of the speaker or for the entertainment of others, but to assist the Trustees in conducting the business of the WPOA.

Chairperson's Actions in Meetings

To ensure that the working environment in all WPOA Board meetings meets the standards described above, the presiding officer over these meetings has the authority to:

- Authorize or limit member attendance at meetings.
- Limit the time spent on meeting subjects due to time constraints and/or the inappropriateness of the subject.
- Warn persons engaged in personal attacks, rudeness, disruptiveness, inappropriate subjects or disruptive conduct that their behavior will not be tolerated and deny their right to the floor.
- Eject persons from a meeting when their behavior, as defined above, continues even after a warning from the presiding officer.
- Levy Class 1 fine(s) as defined in the WPOA Rules & Regulations.
- Apply further sanctions for personal bad behavior by refusing to allow that person to attend/participate in future WPOA Board meetings. (Motion # 318, January 11, 2020)

II. LOTS/HOUSES

A property OWNER of multiple unimproved LOTS (no house on LOT) shall pay the annual DUES and only one (1) set of all annual assessment FEES.

A property OWNER of multiple improved LOTS (LOT with a house) shall pay the annual DUES on one LOT or rental FEE(S) if occupied, the homeowner FEE and all assessment FEES on each improved LOT. (Assessment FEES added by Motion # 242, December 13, 2014; Rental fees for family members added by Motion # 243, December 13, 2014)

Multiple OWNERS of a LOT shall each pay annual DUES, all assessment FEES, and ONE of the OWNERS shall pay the homeowner FEE (if improved LOT) established by the WPOA BOARD of TRUSTEES. (Motion #133, Feb 14, 2004)

When two or more LOTS are adjacent to one another, and a residence does not cross the common property line, the LOTS may be legally joined by means of a Joint LOT Agreement and registered as such in the Brown County Office of the Recorder. Joint LOTS (any LOT other than the one on which the residence sits) are charged an additional LOT FEE each year. Other LOTS not considered as a joint LOT are also charged an additional LOT FEE.

OWNERS of lake front property must adequately protect the shoreline. Once notified of a deficiency in shoreline protection, property OWNERS will be fined the sum of \$100.00 for each month thereafter that the shoreline remains unprotected. (Resolution, Motion #17, September 12, 1998) [Special Class Fine]

RECREATIONAL VEHICLES (campers) that are parked on a LOT or LOTS (including co-joined LOTS) with a house on them are not to be used for prolonged habitation while in those locations. A RECREATIONAL VEHICLE (camper) on the homeowner's LOT can be connected to electricity or water for the purposes of normal maintenance and cleaning, but must be disconnected from electricity and water after completion of the maintenance or cleaning of the RECREATIONAL VEHICLE. Special permission to use a camper at the homeowner's LOT for their VISITORS can be granted by the WPOA SECURITY department for up to 14 days per calendar year. (Motion # 220, June 8, 2013).

WPOA recreation areas such as Hiawatha, Kiddie Corral, Little Crow, Little Turtle, Red Cloud and so forth, are designated on plats recorded at the Office of the Brown County Recorder as "Lake Access" LOTS. MEMBERS are not permitted to build docks on such property.

Other WPOA owned waterfront LOTS that adjoin LOTS owned by MEMBERS are designated on plats recorded at the Office of the Brown County Recorder as "Common Access" LOTS and are also sometimes referred to as "Lake Access" LOTS. These LOTS differ from the WPOA Recreation area "Lake Access" LOTS as the purpose of these "Common Access" LOTS is to provide adjoining LOT owners with access to the lake. If you own a LOT which adjoins a WPOA-owned "Common Access" waterfront LOT, the following rights and obligations apply:

- No one can restrict your ability to use the WPOA LOT between your LOT and the water.
- The property lines of your LOT should be extended to the normal high water mark to determine how much of the WPOA-owned LOT you have special privileges and responsibilities for. Inside this area:
 - In accordance with the building plan a dock can be built but must meet the same set-back requirements as docks on lake front properties.
 - No structure, other than an approved dock, can be built on WPOA-owned property.

- You are responsible for shoreline protection.
- You are responsible for maintaining the area (e.g., mowing).
- You can landscape the area with approval of the WPOA Administration.
- You can remove trees and plant trees with approval of the WPOA Administration.
- You cannot restrict others' access with fences or hedges.
- Other than the above restrictions, you should treat this WPOA property as an extension of your own LOT.

Renting of vacant lots is not permitted. (Motion # 319, May 9, 2020)

1. PETS

Only domesticated pets are permitted. No farm or exotic animals are permitted. Bee keeping is not allowed inside the Lake Waynoka SUBDIVISION. (Motion #111, May 11, 2002)

Dogs are limited to a total of three (3) permitted per household and must have a collar with owner identification and license. All dogs shall be leashed at all times when outside of a fenced or otherwise contained area. All pets will be controlled by their owner and not become a nuisance (excessive barking, etc.). Violations will be subject to penalties specified in Class 1 Fine Schedule.

All stray animals within the SUBDIVISION will be reported to SECURITY which will attempt to contact the owner of the animal and take appropriate action. Repeated or unfamiliar stray animals will be reported to the Brown County Dog Warden and SECURITY.

Any animal that appears vicious or appears to be a threat to humans will be reported to SECURITY which will relay this report to a Lake Waynoka Police Officer for action. All animal bites will be reported to SECURITY which will relay this information to a Lake Waynoka Police Officer for action. Lake Waynoka Police report animal bites to the Brown County Board of Health and ensure all necessary actions are taken in relation to this report.

Canines that chase or bite humans or certain breeds of canines are defined by the Ohio Revised Code Chapter 955 as dangerous or vicious dogs. This chapter describes additional actions that owners of dogs defined as dangerous or vicious must take to restrain these dogs. This chapter also describes criminal charges that can result if a dog is found to bite a human more than once.

2. OPEN BURNING

An OWNER must notify SECURITY of the day, time and location of the burning. Burning is limited to grass, leaves or wooden debris from storms or construction (absolutely NO garbage.)

You must be in control of the fire at all times, and have a water source available.

The fire must be out before you leave the area.

3. TRASH AND WASTE POLICY

Residents and TENANTS are expected to subscribe to the trash hauling service contracted by the WPOA. The dumpsters at the lodge and the campground are not for the use of homeowners or individuals. Trash barrels at recreation areas are for trash generated at those areas only. Violations will be subject to penalties specified in Class 1 Fine Schedule.

Owners are requested to place all trash cans at the edge of the road no sooner than the evening before pick-up and remove them within 24 hours after pick-up.

No raw sewage shall be dumped or drained on open grounds anywhere in the Lake Waynoka SUBDIVISION. Any violations shall be reported to the proper environmental authority.

4. LAKE WAYNOKA BEAUTIFICATION.

Flowers, shrubs and trees on Lake Waynoka common grounds and near buildings are for everyone's enjoyment. They are not to be picked, cut or destroyed.

If a property is unkempt, the OWNER can be cited. If corrective action is not taken, WPOA may clean up the property and bill the property OWNER. [Special Class Fine]

If property is not maintained, e.g., peeling paint, peeling boards or siding/structural boards, missing shingles or roofing, broken windows or other structural damage, a citation can be issued to the property OWNER if it is not repaired within 60 days. Violations will be subject to penalties specified in Class 2 Fine Schedule.

If the grass and/or ground cover on a property exceeds 5-6 inches in height, the OWNER can be cited for lack of grooming. If not corrected, the WPOA will mow and trim the property and a charge for this activity will be placed on the OWNER'S WPOA account payable in 30 days or privileges will be suspended. [Special Class Fine]

Any property OWNER who collects non-operable pieces of equipment or other debris can be cited after a warning for trash and litter. Violations will be subject to penalties specified in Class 2 Fine Schedule.

Littering is prohibited. Violations will be subject to penalties specified in Class 1 Fine Schedule.

In the interest of beautification, liquid propane gas tanks are to be screened.

No noxious or offensive trade or activity shall be permitted, on any lot, nor shall anything be done thereon which may be or become an annoyance or nuisance to the neighborhood. All lots must be kept in a tidy manner as determined by the BOARD. (Restrictive Covenants, par. 5) [Class 2 fines]

5. SIGNS & ADVERTISING

No signs of any kind shall be displayed on any lot without the written permission of the WPOA Board except as provided below. (Restrictive Covenants, par. 5)

Real estate signs advertising property for sale or rent shall be placed on the "for sale/for rent" property only. They shall not be larger than 30" x 30". Up to 2 signs can be placed on a LOT; one sign shall face the roadway and one may face the lake or rear roadway if applicable. No for sale signs shall be placed at any road intersections or within five (5) feet of the edge of the road. (Motion #139, October 9, 2004; Motion #160, March 11, 2006; Motion # 2 38, July 12, 2014.)

Real estate "Sold" signs must be removed from properties within 14 calendar days of closing on the property. The property OWNER can be fined \$50 if the sign is not removed. (Motion # 259, September 10, 2016) [Special Class Fine]

If an open house is being held, one sign may be placed at the front entrance providing LOT number, address, date and time of the open house the day before such open house. Open house signs must be removed the day the open house is over.

Signs for family reunions and parties, etc. may be placed for directional purposes. Please remove these signs no later than 9:00 am the day following such party.

Each contractor may place no more than one sign on an OWNER's property during the period of time that they are working at the site. Signs must be removed upon completion of construction.

No paid advertisement will be permitted in the WPOA monthly newsletter for those running for a BOARD of TRUSTEES position. (Motion #227, October 12, 2013)

No construction shall be commenced until the project is approved in writing by the building committee and all applicable FEES and DUES have been paid. A citation will be issued if any construction begins before a permit is issued and a \$100.00 fine imposed on the property owner. If construction continues, then an additional fine of \$100.00 per day will be assessed for every day someone works on the project. (Motion # 249, August 8, 2015) [Special Class Fine]

Building permits are required for new construction of any building. This includes residence, deck, boat dock, detached or attached garages, storage buildings, swimming pools, doghouses, tree houses, boat lifts, fences, etc.

External changes to an existing structure do not require a new building permit unless the modifications change the structural dimensions, color, or require inspections (e.g., new footers).

Pole buildings, garages and other roofed structures shall match the predominant wall color as well as roof color and roofing material of the dwelling. (Amended, Motion # 304, May 11, 2019)

A Brown County Building Department receipt shall be submitted for any structure over 200 square feet. In lieu of a receipt, documentation from the Brown County Building Department stating such shall be submitted.

If any construction will disturb the soil, silt mitigation protection shall be installed and inspected by an agent of the WPOA prior to a permit being issued.

Approved shoreline protection shall be in place prior to a permit being issued for construction on any lake front or Common Access waterfront LOT.

The exterior shell of any building shall be completed within six (6) months from start of construction.

No building materials shall be placed on the LOT more than 30 days prior to the start of construction. Final grading shall be completed within 180 days following the start of construction, unless an extension is granted by the Building Committee due to unusually bad weather or other unavoidable delays. If the permit applicant owns the adjoining LOT, it may be used for material storage or access to the construction site. The construction debris should be kept at a minimum during construction. Clean up of debris shall be done on a regular basis during construction. A dumpster shall be required to assist in maintaining the site. A portable toilet unit shall be required during construction if no other bathroom facilities are available.

Neither WPOA, the Building Committee, nor any member thereof, nor any member of SUBDIVISION management, their heirs, representatives, successors or assigns shall be liable for damages to anyone submitting plans for approval due to mistakes in judgment, negligence or nonfeasance arising out of or in connection with the approval or disapproval of any plans. VI. CAMPGROUND

1. GENERAL RULES

The campground was developed for the MEMBERS to use for recreation. It was not intended as a place to establish permanent residence.

Family camping is available April 1st through November 1st. Nightly camping FEES are required.

GUESTS or VISITORS eighteen (18) years of age or older may camp without the MEMBER being present after checking in at the Campground Office and paying the necessary camping FEES, however, the MEMBER must contact the Campground Office for prior authorization.

RECREATIONAL VEHICLE(S) are defined as VEHICLES manufactured specifically for human occupancy, including, but not limited to campers, tent campers, travel TRAILERS, camping vans, and motor homes. Only RECREATIONAL VEHICLES complying with the current definition of a manufactured camping unit are allowed in the WPOA Campground. [See Ohio Revised Code 4501.01.]

The WPOA BOARD of TRUSTEES annually determines the amount of camping FEES required to operate the campground. These FEES do not represent a lease hold on any camping pad. All FEES shall be paid in advance of camping. FEES are for each campsite, per RECREATIONAL VEHICLE, per tent, per night. If any FEES are 30 days past due all membership cards and RFID decals associated with the users account will be suspended. A current membership card must also be shown to the Campground attendant.

All WPOA RECREATIONAL VEHICLE decals must be renewed annually, either at the Campground Office or at SECURITY. Proof of ownership is required (title, registration) along with your current WPOA membership card.

A campsite area is defined from electric box to electric box to the road.

All campsites will be limited to the following:

- 3 tents without a camper.
- 2 tents with a camper.

The practice of piggy backing or two campers on one site will no longer be permitted. (Motion # 328, February 13, 2021)

There must be fifteen (15') feet between RECREATIONAL VEHICLES, including all projections, at all times. Hitches must face the road. All TRAILER types are to be mobile at all times, capable of a fast hook-up and be able to pull out in case of an emergency (e.g., fire, weather, etc.). (ORC)

Self-contained camping will be limited to 48 hours in a week and no more than 96 hours within a 30-day period from November 1st to April 1st. The Campground Manager must be notified in advance of use. (Motion # 266, November 12, 2016)

No more than two (2) electrical outlet plugs are to be used by each campsite. Only the power cord supplied by the RECREATIONAL VEHICLE manufacturer can be used to supply electric power to the VEHICLE. If using an extension cord for any other purpose it must be twelve (12) gauge or larger wire. When the Camper is going to be away for more than 48 hours all electrical connections must be terminated (patio/decoration lights, bug zappers, small appliances, etc.) The exception is the main power cord to the VEHICLE. However, no air conditioners, furnaces, stoves/ovens, TV's, radios or unnecessary lights can be left on.

Unless devices are an integral part of the RECREATIONAL VEHICLE, refrigerators/freezers, stoves/ovens and propane tanks are prohibited. Gas grills are an exception, however, only one (1) gas tank per grill and only two (2) grills per campsite are permitted. There cannot be any barrels or large containers for fuel (diesel, gas, kerosene, etc.) placed on any campsite. Only current State and Federally approved containers, not more than 5 gallons total, are allowed.

Campers, except full hook-up sites, cannot connect their RECREATIONAL VEHICLE permanently to any water supply. Water availability is for filling your fresh-water tank only. Failure to comply with this regulation will result in termination of camping privileges. Faucets on full hook-up sites should be turned off when RECREATIONAL VEHICLES are not in use.

All sewage (toilet) waste must be disposed of at the provided "Dump Stations." Gray water can be disposed of in the dishwater traps or at the "Dump Stations." Sewage waste lines MUST be connected to the disposal tank or capped at all times. Failure to comply with these regulations will result in termination of camping privileges.

All trash/garbage and campfire ash must be put into plastic bags, properly sealed, and then placed into the dumpsters provided by the Campground. Bags shall contain only general household trash generated while camping. Absolutely no hazardous waste, refrigerators/freezers, air conditioners, tires, batteries or paint cans shall be placed in dumpsters. The dumpsters provided are for Campers use only.

All Campers must maintain their campsite in a neat and orderly fashion. Swing sets, jungle gyms or swimming pools are not permitted. The WPOA has the right to perform regular inspections. If it is determined that the campsite needs to be cleaned, WPOA personnel will perform this work and the MEMBER'S account will be charged. Camping privileges can be suspended if the clean-up charge is not paid. [Special Class Fine]

The bathhouse is specifically for showering, lavatory and toilet use only. No laundry or dish washing, sleeping, game playing and/or dumping is permitted. Only toilet tissue is to be flushed. Pets, excluding service animals, are not allowed in any restroom facility, or bathhouse. Loitering will not be tolerated.

The playground equipment is designated for use by children under twelve (12) years of age except for the basketball court. Skateboarding is only allowed at the basketball court. Not allow their pets to become a nuisance (excessive barking, etc.).

Clean up after their pets either on their campsite or anywhere within the Campground.

Failure to comply with any of these pet regulations will result in termination of camping privileges and/or requiring the pet be permanently removed from the campground.

The pavilion is available for all MEMBERS to use. Reservations can be made for the pavilion by contacting the Campground Office; all other times are on a "first-come, first-serve" basis. NO skateboarding, bikes or VEHICLES are permitted in the pavilion.

WATERCRAFT and/or boat TRAILERS are not permitted in the Campground except to load or unload with a one (1) hour time limit. The WPOA provides boat and/or TRAILER parking. This parking area can only be used during camping season, April 1st to November 1st, by current Campers. Each boat and boat TRAILER must display a current WPOA boat/boat TRAILER decal. Washing any VEHICLE or power washing of any WATERCRAFT is strictly prohibited. Annual washing of permanent RECREATIONAL VEHICLES is allowed.

All VEHICLES (including bicycles) operated within the campground must obey all posted rules. The speed limit is ten (10) mph. Only WPOA-approved motorized VEHICLES (gas or electric) with licensed drivers are allowed in the Campground. No VEHICLES other than those designed for camping are to be stored in the Campground, with the exception of WPOA-approved golf carts. AFTER DARK, BICYCLES MUST HAVE LIGHTS AND REFLECTORS, FRONT AND REAR, SPECIFICALLY DESIGNED FOR BICYCLING.

Quiet time is 11:00 pm. to 8:00 am. Any disturbances to fellow Campers (loud music, fighting, barking dogs, etc.) will be cause for a citation and a fine any time of the day or night. Be courteous to your neighbors. State law prohibits smoking in any enclosed building (e.g., bath house, restrooms, and Campground office, etc.).

Any concerns not covered by the Rules and Regulations of the WPOA or the Campground will be addressed by the Campground Manager, the General Manager, or the WPOA BOARD of TRUSTEES as necessary.

Violations of Campground rules will be subject to penalties specified in Class 1 Fine Schedule. Repeated offenses may be cause for termination of campground privileges.

A "Campsite Use Agreement" must be signed by each permanent Camper. MEMBERS who currently have a permanent campsite shall be permitted to retain the campsite provided they have, by April 1st of each year, paid all WPOA/WRWSD membership DUES/FEES/assessments and are MEMBERS-in-good-standing. Failure to pay by April 1st can cause termination of camping privileges. MEMBERS desiring a permanent campsite or desiring a different campsite may request to have their name placed on a waiting list at the Campground Office. Camping FEES must be paid in full or monthly in advance. MEMBERS who choose the monthly payment must pay prior to using their assigned campsite. (Amended by Motion # 301, January 12, 2019)

Campsites cannot be transferred from one user to another.

Any permanent campsite not being used on a regular basis may be asked to vacate their site at the discretion of the Campground Manager, to free up unused sites for others to use.

Permanent Campers must provide their own picnic table (Motion #5, April 9, 1988) and fire ring or a means to contain their campfire. Fire rings cannot be larger than three (3') feet in diameter. All firewood must be stacked neatly. All campfire ash must be disposed of properly by placing cooled, bagged ash in dumpsters. Spreading fire ash in ditches or around trees is strictly prohibited.

Any changes made to a campsite (such as building, deck, gravel, dirt, etc.) must have an approved permit from the Campground Manager. These permits will be available at the campground office at no cost. Failure to get an approved permit before making changes, or going beyond the approved permit, could result in a \$100.00 fine and removal of the change. Gravel replacement is the responsibility of WPOA if deemed necessary. No trees shall be cut or damaged by a camper. (Motion # 309, July 13, 2019) [Special Class Fine]

Each permanent Camper has the option to mow and trim their own campsite or pay WPOA for mowing/trimming service. If they choose to mow/trim themselves, it must be done every two (2) weeks. Permanent campsites not mowed/trimmed shall be done by the WPOA and the charge shall be added to the Camper's account. The decision to mow will be made by the Campground staff and the decision will be final. This mowing charge must be paid before the campsite can be occupied. Perimeter campsites must maintain at least seven-and-one-half (7-1/2') feet from the property line. All electric cords and water hoses must be stored out of the way of mowing/trimming. [Special Class Fine]

Winter Storage is available to all permanent Campers November 1st to April 1st for a fee determined by the WPOA BOARD of TRUSTEES. Winter storage FEES are due November 1st. Campers are responsible for preparing their RECREATIONAL VEHICLE for the winter weather. All electric cords must be disconnected. Full hook-ups must disconnect sewer and water hoses. Outside items (furniture, grills, etc.) must be secured or stored away from the campsite. Fire rings must be cleaned out and all trash disposed of. All tent canopies or screened tents and their frames must be taken down. Tarpaulins used to winterize must be removed by May 1st of each year.

Campsite Use Agreement

The Campsite Use Agreement is made between Waynoka Property Owners Association, Inc. (WPOA) and the Campsite User. Both parties agree to comply with the current WPOA, WPOA Campground, and all State of Ohio rules and regulations. WPOA accepts no responsibility for any damage or theft.

This Agreement will expire and be terminated if Campsite Users violate any of these rules and regulations or become delinquent in camping FEES or any other WPOA/WRWSD FEES. Campsite Users will be notified and given five (5) days from the termination date to vacate the WPOA Campground.

If the Campground Manager and the Campsite User are unable to correct any such problem prior to termination, the Campground Manager will so notify the Campsite User, in writing both by regular U.S. Mail and Certified Return Receipt Mail, that an action will be filed in the Brown County Municipal Court for seizure of abandoned property. Campsite Users will be given ten (10) days from the mailing date to remove all personal property.

RECREATIONAL VEHICLES and personal belongings will be removed from the WPOA Campground in accordance with Section 3729.13 of the Ohio Revised Code. All WPOA/WRWSD delinquent FEES and all costs will be applied to the MEMBER'S account for collection.

The Campsite Use agreement terminates at the end of the current camping season and will automatically renew at the beginning of the next camping season unless one of the parties decides not to renew.

3. TEMPORARY CAMPSITE RULES

Any and all boats must go counter-clockwise (traffic pattern with the shoreline on the starboard (right) side of the power craft) around the lake.

Buoys mark special use, hazard and no wake areas. Only WPOA-authorized buoys are permitted to be in place. Relocating buoys is not permitted.

Boats may pull one (1) skier or one (1) tube or similar device. No water skiers, tubers or persons on similar devices are allowed to “drop off” to the shoreline or a dock.

Tubes and similar devices may not have more passengers than the designed occupancy.

When pulling a skier, a tube or similar device there must be at least two (2) people in the boat. One passenger must act as an observer and this person must be 10 years of age or older.

Tubes, floats or similar devices must be removed from the water when not in use (not left floating in the lake).

Floating trampolines, slides, or similar devices are not allowed outside of designated NO WAKE areas. Floating trampolines, slides, or similar devices must not obstruct or hinder boat traffic-at any time, and such devices must stay out of the defined waterway. Trampolines, slides or similar devices, including mooring buoys and floating decorations, shall be removed from the lake or be secured at the shoreline when not being used.

Swimming in the lake and at the beach is at YOUR OWN RISK at all times.

Violations of rules in this section will be subject to penalties specified in Class 1 Fine Schedule.

6. FISHING

The WPOA BOARD of TRUSTEES has adopted the rules and regulations for fishing as described with the Ohio Department of Natural Resources (ODNR). These rules as noted below will be enforced by the lake patrol and the BOARD trusts all true sports will comply.
