

## GRINDER PUMP REMINDER

Your grinder pump is not a garbage disposal. The following items should never be put in your system:

- \*Egg shells
- \*Fish scales
- \*Cat litter
- \*Diapers, baby wipes, socks, rags or cloth of any kind
- \*Personal hygiene products
- \*Oils or grease
- \*Strong chemicals (drain cleaner)
- \*Glass or metal objects.

If the above items are introduced into the system it could result in premature failure of the pump and require service.

If the red light on the electric box is on it means the pump is not working properly. Please call Security if you see your light or your neighbors light on. Security will dispatch our mechanics. 937-446-3214.

Please remember that there is a 20 ft. easement to your grinder pump. This needs to be free from obstructions in the event that our staff needs to repair your grinder pump. There are vents around the lid of your grinder pump which need to be kept open and free at all times.
